

BOARDING.—Summer Normal Students can secure good board and rooms at Michael Black's, McConnellsburg. Apply early.

Judging from the amount of croaking by members of three of our most prominent political parties, we may look for a new party to be known as "The Frog-festive" Party.

Among the purchases made by Harry Johnston while in New York a few weeks ago, is a large, handsome show case for the display and protection of sporting goods, auto supplies, etc.

Mrs. S. B. Woollet met with a very painful accident on Saturday when a heavy window sash fell on her right hand cutting two of her fingers so badly that they required the services of a surgeon.

HIDES.—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins sheepskins and tallow.

H. E. Hirk and H. H. Clevenger, two young men of Hiram, Taylor township, have completed a lime spreader that compare favorably with any factory-made machine. Howard and Harvey certainly are geniuses. Now let's hear about that roller.

Summer freaks have already made their appearance on the old pike. Last week a man on stilts passed through, and two men with a push-mobile went puffing by enroute to "Somewhere," and a band of Gipsies with six or eight wagons and about forty horses defied the law by camping outside of town.

George Garner, of Tod township, went to farming last spring after having worked in Altoona for several years. We know that he is going to succeed because he is built that way. One of the straws that point that way is the fact that he dropped in to the NEWS office the other day and planted a couple of Ads. to let people know that he has what they may want.

The razing of the century-old building on the corner of Water and Second streets affords an opportunity to study methods used by builders in colonial days when they built "good fer strong." Specimens of lumber were revealed that, could it be had now in quantities, would sell for fabulous prices. Nails and spikes made by hand on an anvil in a blacksmith shop were used in many places. Some of the studding and joists were of material clean of knots, such as seldom find their way into buildings of the present day.

PLEASANT GROVE.
Amos Barber is not so well, again; and Mrs. Hays Morgret is quite poorly with rheumatism.

Pleasant Grove School closed Tuesday. The term was very satisfactory under the charge of Webster W. Mellott. Sorry to see him go. Come again, Mr. Mellott.

Easter services were held in Pleasant Grove Church on Easter Sunday.

There will be some moving near this place, soon.

We are glad that spring has come. It was a very severe winter.

Samuel M. Clevenger is quite poorly.

FACTS AND FICTIONS.

Experience of McConnellsburg Citizens Are Easily Proven to be Facts.

The most superficial investigation will prove that the following statement from a resident of McConnellsburg is true. Read it and compare evidence from McConnellsburg people with testimony of strangers living so far away you cannot investigate the facts of the case. Many more citizens of McConnellsburg endorse Doan's Kidney Pills.

Riley Peck, shoemaker, Pleasant St., McConnellsburg, Pa., says: "Some years ago I was troubled with my kidneys and soreness in my back. I was dizzy at times and it affected my eyes. I had to get up often at night on account of the kidney secretions. I was tired out when I got up, and I didn't feel like doing any work. I had a doctor at the time, but he only gave me a little relief. A friend insisted upon me taking Doan's Kidney Pills as he was cured by them. I got two boxes at Trout's Drug Store, and found great relief at once. I have never had any severe symptoms of kidney trouble since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Peck had. Foster-Milburn Co., Props., Buffalo, N. Y.

Summer Normal.

The Summer Normal for teachers at McConnellsburg, Pa., will open Monday, May 11, 1914, at 1.30 p. m.

For the advanced section some of the common branches will be eliminated and higher branches substituted, thus giving opportunity for those teachers who hold provisional certificates to prepare to pass an examination for professional certificates. This change will be made in order to keep pace with the provisions of the Code.

Superintendent B. C. Lamberston will assist in the teaching during the entire term.

Tuition: Full term—\$7.00, less than seven weeks—\$1.00 per week. Length of term—8 weeks.

THE GROWTH AND EARNINGS OF A BANK.

There is no other line of business in the world that so much concerns the public and its welfare as the growth and earnings of a Bank.

A little over two years ago—or more precisely—on January 1, 1912. The FULTON COUNTY BANK commenced business as a State Bank with a Capital of \$50,000.00 and total assets of a little over \$233,000.00.

Our last call for a statement—February 20, 1914—little more than two years later, shows Total Assets of over \$350,000.00 and Surplus and Undivided profits of over \$18,000.00 During these two years \$6,000.00 was paid out in CASH DIVIDENDS to stockholders.

The above facts and figures are arguments.

Correct banking methods; Our integrity in dealing with the public; Conservative management; Confidence—These are the principles that helped to make this splendid showing possible.
