FOR THE LEGISLATURE.

TO THE DEMOCRATIC VOTERS OF FULTON COUNTY.

After having received so much encouragement, I feel that I would be shirking my duty if I did not offer myself as a candidate for the nomination for the General Assembly the second term...

I, therefore, announce myself as a candidate for the General Assembly, Subject to the decision of the Democratic voters at the primary election to be held May 19, 1914...

Respectfully yours, GEO. B. MELLOTT.

FOR CONGRESS.

James M. Yeager made his first Republican campaign speech for James G. Blaine in 1884, with Congressman Rockwell of Mass. Since that time he has championed Republican principles and policies from the same platform with Honorable Chauncey M. Dewey, Gov. Frank S. Black, Honorable Hamilton Fish of New York, and with Gov. E. S. Stuart, Lieutenant Gov. Murphy, Major McDowell, Hon. J. E. B. Cunningham, and other well known Republicans of Pennsylvania. He does not need, therefore, to proclaim his adherence to, and grasp of Republican doctrines and policies. During the past seven years he has campaigned in every part of Pennsylvania under the auspices of the Speakers Bureau of the Republican party, and has not asked for, nor received a cent from the treasury of the party for his expenses or his services; both were voluntarily contributed. His friends are confident that the Republican voters of the 17th District will show their appreciation on May 19th for these services.

VOTE FOR JAMES M. YEAGER.

For State Senate.

In announcing my candidacy for the office of Senator in the General Assembly of Pennsylvania on the Republican ticket it is but fair and right that the voters of the thirty-sixth district should know just what my position will be on one of the great questions now engaging the attention of the citizens of this state and that will come before the next General Assembly for solution.

Believing that nothing will add more to the prosperity, conveniences and general welfare of our

citizens as good roads, I favor the permanent improvement of the nine thousand miles of state road as rapidly as funds can be provided by the legislature for this work.

I advocate and will support an employer's liability or workman's compensation act that will exempt from its provisions the farmer and individual household er, and which will be operated and controlled entirely by the state.

I believe the voters of this state should have the right to control the liquor question, and therefore favor and will support county local option and state wide prohibition.

I also favor and will support a resolution providing for the submission of the question of woman suffrage to the voters of the state. In submitting the above announcement to the voters of Fulton county, I respectfully refer them to my record as their representative in the Senate of Pennsylvania as having favored all legislation for the moral and material welfare of the citizens of this district and state.

JAMES W. ENDSLEY.

FOR JUSTICE OF THE SUPREME COURT OF PENNSYLVANIA.

GEORGE KUNKEL

President Judge of Dauphin Co. The Judge in all state tax cases of the past ten years

The Judge who upheld the constitutionality of the Full Crew Law - sustained by the Supreme Court.

The Judge before whom the Capitol Graft conspirators were convicted, resulting in nearly \$2,000,000 being recovered by the state.

The Supreme Court has sustained him in nine out of every ten of his decisions which have been appealed. Six years as District Attorney - six years in the General Assembly - ten years on the Dauphin County Bench. His absolute fairness as a Judge resulted in his re-election last year without a vote against him.

Whether you are enrolled or not you can vote for him on the non-partisan ballot in this way:

GEORGE KUNKEL X

A fire was started on the west side of Sideling Hill last Friday and has been burning for the past few days.

The Queen Quality factory makes more shoes, and sells more shoes than any other. This should be the best evidence that they sell good goods.
