Greetings From Los Angeles.

In a recent letter from Mrs. William Greer, of Los Angeles, to her foster father, A. L. Wible, of this place, she said that Mrs. John Hershey, of Dunlap, Iowa, was visiting in that State and had spent two weeks with them. Mrs. Hershey requested that the NEWS tell her many relatives in Fulton county that she and family are well, and sends greetings to all of them. Mrs. William Greer states that her husband's parents who went with them from this county to California many years ago, are still living, but getting very old and feeble. Both Wm. Greer, Sr. and Jr. are thinking of returning to good old Fulton county where the people are more sociable than they are in the Golden State.

The Last Clipper.

Wm. Brown Meloney has a story in the Philadelphia Press of May 3rd, entitled "The Last Clipper." This story in the judgment of the editors, is the very best story that has appeared in the "Pericles O'Brien" series. Some think that it is the best story that has appeared anywhere for a long time. It is one of the big, manly, full-blooded tales of the sea, that stirs one's manhood and stimulates him to great things.

Second only to this story is one by Wm. A. Dyer, entitled "Ishmael," a wonderful dog story. These are only two of the many features of next Sundays' Press.

Many of them brought presents that would delight the heart of any man. The evening was spent in a delightful manner, which with the excellent refreshments, inspired the guests to wish him many more happy returns of the day.

Newspaper Comparisons

Wilson With Lincoln.

Rome, April 23.—The Tribune compares President Wilson to President Lincoln. Both, it says, were possessed of the same biblical inspiration, the same vigorous puritanism, the same combatant ideals. Neither was satisfied to remain content in his own uprightness, but wished others to be upright. Both were pacifists and yet both had to assume the leadership in war.

Our Graduating Class.

The following graduates of the High School class of 1914 will receive diplomas this evening at the close of the exercise in the auditorium; Lois Mason, Elizabeth Doyle, Jean Johnston, Meta Fryman, Stanley Humbert, and Orlean Moeck.

The following program will be rendered; Salutatory, Meta Fryman, Class oration, Orlean Moeck; Music, Miss Olive Pittman; Prophecy, Lois Mason; Will, Elizabeth Doyle; Music, Miss Emily Greathead; History, Jean Johnston; Oration and Valedictory, Stanley Humbert; Address to Graduates, Class Song. Confering of diplomas, Superintendent B. C. Lamberson; Benediction, Rev. J. L. Grove.

To you, young ladies, young gentlemen, of the class of 1914, we extend heartiest congratulations. The weary years of toil over the knotty problems of the schoolroom text books are now history so far as your individual lives are concerned; but you will find them to have been as play, compared with the work that will confront you when you take up man's and woman's work in the everyday affairs of life. You will find that the work done in the schoolroom will serve you only in the capacity of tools—so to speak—when you come to grapple with realities of shaping your respective destinies. Your class motto "To-night we launch; Where will we anchor?" may well receive your most sober consideration.

Racket Store

Lawn Mowers.

This week we want to tell you that we have just received a large quantity of Lawn Mowers and Garden Plows, and can sell them to you at a price that will save you good money. The garden Plow that we have sold so many of at \$2.25 during the last five years, we are going to sell this spring at \$1.98. We can let you have a 12-inch lawn mower at \$2.50, and a 14-inch at \$2.65. We have been selling these mowers for eight years and know what we are talking when we say they are good ones. Having brass bearings and being self-sharpening, they are always on the job.

Steel garden rakes, 25 cents; Hoes, 16, 20, 25, 38, and 40 cents. Steel shovels—no rivets in the blade—55 cents.

Fencing.

Say! Don't you want a nice lawn fence in front of your house or lawn? We have it at 10 cents a foot. Also, we have some Field and Poultry fence on hand yet, that we are selling at the old prices. Screen wire at 8, 9, 10, 11, and 12 cents a yard.

Paint! Paint!

Are you going to paint your house or barn this spring? If so, why don't you let us figure on it. We will not charge you anything for the figuring; and if we can't prove to you that we can save you money, then, we will not feel sore if you buy some place else.

Come Quick.

We have bought from a manufacturer 6 cases of Berlin kettles—3 cases of 6-quart, and 3 cases of 8-quart—all with tin lids, and they go at 23 and 33 cents. These goods sell regularly at 35 and 50 cents. Step along lively if you want some of them; for at these prices, they will disappear like a snowball in harvest.

Shoes! Shoes!

We have sold more shoes this spring than any spring since we have been in business. We have all kinds and are selling them at factory prices. See our white shoes for children, misses, and women; also, our Oxfords. We want everybody to try our shoes; for this is a line upon which we can especially save you money. And, we had almost forgotten to say that if you want a nice hat and suit to match your shoes, we have them too.

PIANOS, PLAYER PIANOS, ORGANS and VICTROLAS.

Pianos are like shoes—some makes good, some bad. They all look alike to the unsophisticated, and here's where the "peddler" gets in his work. He's here today with the piano; To-morrow he's away. You have the piano, he has your money.

I have been doing business with the people of Fulton county for ten years. I own't real estate and pay tax. I am here to make good if the instrument I sell you is not satisfactory in every respect.

The following well known people have purchased Player Pianos and Pianos from me. Ask any of them about me before you buy from any one else.
