

McCormick FOR GOVERNOR

A Democrat of principle, courage and conviction who considers his party the main works and not a mere Penrose annex.

A Democrat who will be a Democratic governor independent of any power or influence except the will of the people.

A man that has no motive in seeking the governorship save an honorable ambition to usefully serve the State.

He is the man who put the party back on the political map of his State.

He was the centre rush in the great contest that rescued the Democracy from the bi-partisan traders—the Guffeys, Halls, Garmans, Donnellys and Ryans. And his nomination will block the movement to deliver your party back to Penrose.

A man of strength, vigor, courage, wisdom, experience and discretion, in whose hands the great interests and the fair fame of Pennsylvania will be safe. You will help to bring this great blessing to the State, if you vote to

Nominate McCormick BECAUSE HE WILL BE ELECTED

When Adam Picked and Put On His First Fig Leaf.

When Adam picked and put on his first fig leaf, the Men's Clothing business was born. The first ready made garments was a fig leaf. Probably Adam wasn't satisfied with the first leaf and thought he'd try another. By and by he found one that suited him in cut, material, fit and quality. Adam was shrewd. He looked around. Now, sir, if you are not fully satisfied with the clothing you are wearing, suppose you look around. Suppose you look here. Our patrons are always satisfied. We make them so by giving them the best clothing to be had on earth for the money. Come in and look over our lines before you buy.

Racket Store

Lawn Mowers.

This week we want to tell you that we have just received a large quantity of Lawn Mowers and Garden Plows, and can sell them to you at a price that will save you good money. The garden Plow that we have sold so many of at \$2.25 during the last five years, we are going to sell this spring at \$1.98. We can let you have a 12-inch lawn mower at \$2.50, and a 14-inch at \$2.65. We have been selling these mowers for eight years and know what we are talking when we say they are good ones. Having brass bearings and being self-sharpening, they are always on the job.

Steel garden rakes, 25 cents; Hoes, 16, 20, 25, 38, and 40 cents. Steel shovels—no rivets in the blade—55 cents.

Fencing.

Say! Don't you want a nice lawn fence in front of your house or lawn? We have it at 10 cents a foot. Also, we have some Field and Poultry fence on hand yet, that we are selling at the old prices. Screen wire at 8, 9, 10, 11, and 12 cents a yard.

Paint! Paint!

Are you going to paint your house or barn this spring? If so, why don't you let us figure on it. We will not charge you anything for the figuring; and if we can't prove to you that we can save you money, then, we will not feel sore if you buy some place else.

Come Quick.

We have bought from a manufacturer 6 cases of Berlin kettles—3 cases of 6-quart, and 3 cases of 8-quart—all with tin lids, and they go at 23 and 33 cents. These goods sell regularly at 35 and 50 cents. Step along lively if you want some of them; for at these prices, they will disappear like a snowball in harvest.

Shoes! Shoes!

We have sold more shoes this spring than any spring since we have been in business. We have all kinds and are selling them at factory prices. See our white shoes for children, misses, and women; also, our Oxfords. We want everybody to try our shoes; for this is a line upon which we can especially save you money. And, we had almost forgotten to say that if you want a nice hat and suit to match your shoes, we have them too.

No, no; the rhythmic tap, tap, you hear regularly every morning, is not the drum call to arms to fight Mexico; it is the women beating carpet.

Do not forget that next Sunday is Mothers' Day, and let a white flower show to the world that you have never had a truer, better friend than Mother.

Clem Chesnut is giving you a lot of dope this week about his stock of furniture, farm implements, paints, binder twine, etc. Read his advertisement.

Among the new advertisements this week is that of Edgar L. Weaver the "Hustling Miller" at Saltito. Read what he has to say about feed, flour, and prices.

Frosts appeared in this county on the 1st, 2nd and 3rd of this month. Early garden vegetables were nipped, and in some sections the clover was blackened. It is not thought that fruit was badly damaged. The frost that killed fruit last year appeared on the morning of May 10th.

Rev. and Mrs. R. E. Peterman and baby "Bobbie Adams," left for Gettysburg for a short visit, expecting to return to-day. Mr. Peterman drove his new Ford car which he had handled for about a week until it became "tame" enough to behave well and not to scare at horses and pedes trians.

Mr. W. H. Shaw, of New Grenada, and Mr. Russell Swope, of Wells Tannery, spent a few hours at the County Seat last Saturday on business. Mr. Shaw, who has been engaged at the mines at Robertsdale for several years, tells us that there is likely to be all kinds of trouble at the mines if the operators and miners do not get together soon.

Heading This Way.

The Cumberland Valley news papers say that the tree vaccination men are headed this way, and may appear any day. These are the men we have been warning our readers against. The papers all over the State have been warning their readers that the thing is a fraud. Notwithstanding, the men must be doing business or they would not stick to it as they are reported. They became notorious over a year ago, and last year we told our readers how they had deceived farmers and ruined their trees. The rascals make the claim that they can inject a powder, or perhaps a fluid, into trees that will make them immune to scale and other diseases. In many cases it killed the trees.

It seems strange that newspapers publish warnings in vain. We will wager a big red apple that if these men come into this county they will find enough people who do not read the papers, to reap a rich harvest. They seem to be doing so in the Cumberland Valley—why not here?

Social Entertainment.

On Friday evening, May 8th, an entertainment will be held in the Town Hall in Wells Tannery, proceeds to go to the new church organ fund. There will be Select Reading, Recitations and plenty of music, including what Josiah Allen's wife calls "Vocal and Stringed—Instrumental." The following poem will be dramatized:

"When I was single, I lived by myself:
 All the bread and cheese I got, I put upon a shelf;
 The rats and the mice they led me such a live,
 I had to go to London to get myself a wife."

The hero of the poem will be there—also the rats, mice and the wheelbarrow—as will as the London maidens who aspire to become his wife. Some were short, others tall; some pretty, others—well, they'll all be there; and you may depend upon it that they will be funny. Ice cream, cake, etc., will be served at the close of the entertainment.

Admission: 10 cents for all over ten years of age. 5 7 2

After an absence of thirteen years, Mr. Bert Helman returned last Friday for a few days visit with his mother, Mrs. Matilda Helman, north First street. Mr. Helman is located near Purgitsville, W. Va., where he has a farm, but spends most of his time hauling lumber from the mills in the woods, which, he says, pays better than farming where he is.

An addition of twenty feet back is being made to the Hull & Bender Racket Store Room, which will add needed accommodation for their increasing trade. They have taken on a new clerk, Clifford Lininger, of this place.
