PRIMARIES MAY 19, 1914

Be Sure To Take and Vote a Separate Non-Partisan Ballot

William C. Walls, Democratic candidate for Congress can be elected if nominated. Vote for him at Primary, May 19th.

Have you a conscience? How will you "ease it" if you stay at home next Tuesday and let the "interests" name the ticket?

When you cast your vote May 19th mark an X opposite the name of William C. Walls Democratic candidate for Congress.

Andrew Souders and son Jesse, of Thompson township, were spending a little money, and chatting with friends in town Monday.

William C. Walls of Lewisburg, Pa., a banker and business man is the man we need in Congress. He can be elected. Mark an X opposite his name May 19th.

The News office was favored by a call from our friend Joseph Sipes of Licking Creek township Monday. He and his daughter-in-law, Mrs. Homer Sipes brought to town to attend the Normal school, the latter's son Wilmer and Alfred Sipes' daughter.

For each dollar's worth of corn, oats, and barley grown they take about thirty-four cents worth of fertility from the soil, and for each dollar's worth of wheat and rye, twenty-nine cents worth of plant food (fertility) is lost to the soil. The nearest to getting something for nothing in this world is to grow clover, which feeds largely on nitrogen drawn from the air—then clinch it by ploughing down.

Newton J. Downes, a Fulton county boy, formerly of Franklin Mills, is prominently mentioned in connection with the Democratic nomination for house of Delegates in Randolph county, W. Va. This means the same as legislature in Pennsylvania, and our friends over in Randolph county will make no mistake if they bank their faith in the wisdom of Newt. For several years he has been the efficient Western Maryland Railway agent at Mill Creek, and has the confidence and esteem of a wide circle of friends.

IN McCONNELLSBURG

The Evidence is Supplied by Local Testimony.

If the reader wants stronger proof than the following statement and experience of a resident of McConnellsburg, what can it be?

Miss Susan Peightel, Main St. McConnellsburg, Pa., says: "I was in poor health for some time and I believe that weak kidneys caused the trouble. I suffered greatly from severe pains in my back which often darted into my head. I often became dizzy and had chills. I was losing strength daily, and felt poorly in every way. Doan's Kidney Pills were brought to my attention and I procured a supply at Trout's Drug Store. They acted just as represented and brought me quick relief. I know of other people who have taken Doan's Kidney Pills with great satisfaction."

RE-ENDORSEMENT.

On December 10, 1913 Miss Peightel said: "I can't make my endorsement of Doan's Kidney Pills too strong, and I willingly verify my former statement. Whenever I need a kidney remedy, I take Doan's Kidney Pills and am all right in a few days."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Miss Peightel had. Foster-Milburn Co., Props., Buffalo, N. Y.

# McCormick IS THE MAN

THE ONLY MAN WHO CAN LEAD THE DEMOCRACY TO VICTORY AND PLACE IT IN POWER IN PENNSYLVANIA. And, Mr. Voter, it is up to you to put him in that position.

It will be your fault if you don't go to the primary next Tuesday and vote for the man who can win in November. Don't depend on others—do your share by going to the polls and voting. The Gang never sleeps—it's men are at work all the time—they will have their votes out.

The Democracy of Pennsylvania has cleaned house, they have repudiated the bi-partisan traders, the men who have brought such disgrace on the organization. Beat them this time and the fight will be over against the men who have been selling out your party for their own selfish personal benefit.

The Democratic party needs McCormick's leadership in the great contest this year. The whole State recognizes his unusual qualities, his honesty, his tenacity of purpose, his high ideals, his character and the courage and determination with which he backs up his convictions.

The Democrats will do a great work for the State, for the Nation and for their party if they

## Nominate McCormick BECAUSE HE WILL BE ELECTED

# ENDLICH

This County Has Taken Part in the State-Wide Non-Partisan Movement to Place Judge Endlich, of Berks, Upon the Bench of the Supreme Court

JUDGE GUSTAV A. ENDLICH  
A JURIST OF STATE, NATIONAL AND INTERNATIONAL REPUTATION

It was to open to the people the opportunity of choosing men of his dominant ability, great learning, experience and industry that the non-partisan law for the election of judges was passed.

Ask for the non-partisan ballot at the primaries and vote for the non-partisan candidate in this way.

GUSTAV A. ENDLICH  
BERKS X

By petition to the Secretary of the Commonwealth, this, with 58 other counties, has asked that the name of Judge Endlich be placed upon the non-partisan ballot for Judge of the Supreme Court.

The County will do credit to its intelligence and judgment in voting for a judge whose eminence and fitness are so universally recognized.

Judge Endlich is known to every practicing lawyer in Pennsylvania, through his published opinions and his books on the law, as one of the most learned judges of his day. No Common Pleas judge in Pennsylvania is so widely known as jurist, legal author and scholar.

His hundreds of published opinions are regarded as complete collections of the law upon the subjects treated.

He has written five books on the law, some of which are used and quoted in the Courts of all the States and, indeed, in the Courts of all English-speaking countries.

## The Fact Remains

No amount of misrepresentation by the peddlers of alum baking powders, no juggling with chemicals, or pretended analysis, or cooked-up certificates, or falsehoods of any kind, can change the fact that

**Royal Baking Powder has been found by the official examinations to be of the highest leavening efficiency, free from alum, and of absolute purity and wholesomeness.**

Royal Baking Powder is indispensable for making finest and most economical food.
