R. R. 2 Changes Addresses.

L. M. McElDowney, who lives about four miles west of Big Cove Tannery, was in on Friday to push his subscription into 1915, and have the address of his paper changed from the latter office to Needmore, R. D. 2. This, so far as McConnellsburg mails are concerned, is a hardship, as the Star Route mail driver delivered mail from the County Seat to his box while going out; as it now is, his paper will have to go to Needmore, and be delivered next day by the Rural Route carrier. We expect to have to change many addresses to fit in with the new arrangements, and the sooner our subscribers send us both the old and the new addresses the better.
