A map of air currents for aeronauts is to be drawn up. Verily, "The world move."

If you have been "sat on," remember that it was because you looked "soft" to the sitter.

When one's religion bars him from cooperating with the neighborhood for better living conditions, it is time to change our religion.

Looks funny to see hams, baskets of eggs, 50-pound cans of lard, automobile tires, &c., go through the mails; but it is all right, and we will soon get used to it.

'Tis said—and greatly lamented—that the Texas steer, with his curious six-foot spread of horns, is extinct. We doubt it—take a good look at Carranza's mustache.

HIDES.—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins, sheepskins and tallow.

Neither say they in their heart, Let us now fear the Lord our God, that giveth rain, both the former and the latter, in his season; he reserveth unto us the appointed weeks of harvest.—Jeremiah 6:24.

The grape juice, buttermilk, and lemonade of the Administration at Washington, has called down the wrath and contempt of the rough element, too. "And when they saw that the hope of their gain was gone, &c," said "These men do exceedingly trouble our city."

Bass season opens next Monday. This leads us to remark that there are some large gullies in the County that, at little expense, could be made into ideal catfish ponds. The assistant editor of the NEWS once put three catfish into a pond in the month of May, and in three years, had as many large fish as any two families could have used. A very small amount of water flowing into a catfish pond will keep it in condition, especially if the pond can be shaded a little.

Peter Finiff, one of Tod township's respected citizens, was in town last Friday taking in the changes in our old Burg. Older residents of this place can recall many incidents in which he figured when he lived just east of town. Mr. Finiff was noted for his great strength, and at a time when a building at the west end of town was on fire, and the bucket brigade seemed too slow for him, he seized a big, copper, applebutter kettle, dipped it full at one sweep in the creek, and started up the ladder. The combined weight of Mr. Finiff and almost a barrel of water proved too much for the rounds and many were broken.

SALUVIA

Mrs. Mahala Deshong is lying very seriously ill, at the home of her daughter, Mrs. Geo. Schooley, in Everett.

Mrs. Fernando Decker has been very sick for the past week. Her condition is reported unchanged at this writing, June 8th.

Mrs. John Hann seems to be recovering, after quite a long illness.

Rev. J. Leidy Yearick, of McConnellsburg, preached a very able and impressive sermon from John 4:22-25, at Green Hill Presbyterian church, Sunday, at 2:30 p. m., to a fairly good sized congregation. Mrs. Yearick accompanied him on the trip.

Dwight Sipes, a student at the Mercersburg Academy, is spending his vacation with his parents, Mr. and Mrs. R. R. Sipes.

The splendid showers of last Thursday have greatly revived the growing crops in this section. The prospects are good for fruit crops—strawberries are ripening.

NEEDMORE.

My! those delicious cherry pies and strawberry short cakes make our mouths water as dear old June ripples them more and more each day.

Those recent rains have brightened the minds of our farmers as they see that they still are going to have some hay and well filled granaries, if nothing unforeseen happens.

Quite a force of hands is working on Joe Garland's barn as Mr. Garland wants it completed by harvest. John Mellott is the contractor.

Edward McCray is putting the finishing touch to his house by adding a new porch that almost goes clear around it. Clayton Deshong has also added a large porch to his house.

The children services will be held next Sunday evening in the school house.

Frank Mellott is the first one in to brag of knee high corn.

Willard Snyder, of Hancock, was in Needmore Sunday and Monday. Mr. Snyder is a blacksmith and will soon locate here.

G. W. Reisner & Co.'s Spring Announcement.

The balmy days of springtime are here again, with all its joys of housecleaning, garden making, and general shaking off of the odors of a long winter. With this season comes the necessity for new carpets, new rugs, new wall paper, new paint, new garden tools, to say nothing of the new dresses for the girls and women, and new shoes for the whole family.

From our long experience in catering to the wants of the Fulton County trade, we know just what is needed, and have our store full to overflowing with the very best things to supply the demands of our varied patronage. For instance:

A large lot of Summer Dress Stuffs in Cotton, Silk, and Wool, and a splendid assortment of Embroideries, beautiful and cheap.

CARPETS AND MATTINGS

A good assortment of carpets and mattings ranging in price from 13 to 60 cents. Brussell's, 65 to 80 cents. Blinds from 10 cents to 45 cents.

Automobilous.

A good index to the extent of the automobile industry and, incidentally, to the prosperity of the Country, is the fact that the record of licenses granted by the State Highway Department now exceeds one hundred thousand, a number far in excess of that during the entire of last year. The hotel registers of McConnellsburg show greatly increased business, largely the result of automobile tourists; in fact, with the present limit to the hotel facilities, it is almost impossible to care for the rapidly increasing business. The Bedford papers say that in two consecutive days recently, one of the garages in that town attended to the wants of 416 tourist automobiles, and that the hotels and boarding houses in that town are overcrowded. This, in the face of the fact that Bedford has three garages—one costing twenty-thousand dollars, and another, more than fifteen thousand. These garages are fitted up with restaurants, rest rooms for the ladies, toilets, baths, and every convenience for modern travel. A large number of automobiles have been sold in Fulton county this year, and it will not be long until an automobile will be as common a piece of machinery on the farm as the cornplanter and the binder. An agent at Roaring Spring, Blair county has sold ninety-six Fords this season.

Surprise Party.

A very pleasant surprise took place at the home of Mr. George Hann of near Pleasant Ridge, Friday evening, June 5th. It being a pleasant day and the rain having laid the dust the preceding day, Mr. and Mrs. Hann thought they would take a trip to Houstontown; and on returning Mrs. Hann was very much surprised to find 77 of her neighbors and friends assembled to bid her good evening and wish her many

happy returns of her birthday.

Those present were: L. B. Mellott, wife and children—Paul, Helen and Nellie; D. D. Hann and wife; James Harr and wife; A. C. Deshong and wife; J. N. Daniels and wife; W. L. Swope, wife and children—Mabel, Floyd and Clyde; P. S. Deshong, wife and children—Retha, Edith, Melva, Earl and May; O. H. Daniels, wife and children—Evaline and Blaine; Charles Hess and wife, Mrs. Frank Spade, Andrew Feight and wife; Simon Daniels, wife and children—Clara, Rosa, Blanche and Ethel; Edgar Hann, wife and children—Viola and Omer; George Hann, wife and children—Willie and Charlie; Carl and Pauline Hann; George and Elias Hauman; Russel, George, Clem and May Daniels; Sherman and Marie Bard; Harrison, Watson, Ross, Doyle and Ora Deshong; Clyde, George and Lottie Hess; Keuben Hann, Thomas Hollenshead, Dewey Traux, Bruce Clevenger, Louie Pittman, and Celia Mellott.

Mrs. Hann received many nice and useful presents. After serving ice cream and cake the young people were engaged in playing different games while the older ones listened to music furnished by Mr. Hann's graphophone. They all returned home at a late hour wishing Mrs. Hann many more happy birthdays.

Trip Around the World.

The Lutheran Steamship and Navigation Company of this place, chartered three "ships," one each from Ahimaaz Clevenger, George Comer, and Ed Grissinger, and took about eighty-five tourists on a trip around the world last Friday evening, at a cost to each passenger of twenty-five cents.

Beginning at the Lutheran Church the first stop was in England (Lutheran parsonage), where pickles, ham sandwiches, coffee, &c., were served. Next stop was in Switzerland (Mrs. John Conrad's), where Swiss cheese and pretzels were served. From there the ships sailed to Japan (Mrs. George Mock's), where the tourists were treated to rice, eaten with chopsticks, and ice tea a la Japan. On returning to America

the White House was visited, where American ice cream and wafers were sampled.

Domingo Mendez, a son of former vice president of Cuba, and Dr. Andieus of Havana, Cuba, were guests at the Fulton House on Thursday of last week. They had been on a visit to Mercersburg Academy, where Carlos Zoldo, is a student.

The Fact Remains

No amount of misrepresentation by the peddlers of alum baking powders, no juggling with chemicals, or pretended analysis, or cooked-up certificates, or falsehoods of any kind, can change the fact that

Royal Baking Powder has been found by the official examinations to be of the highest leavening efficiency, free from alum, and of absolute purity and wholesomeness.

Royal Baking Powder is indispensable for making finest and most economical food.
