Resident Hunters License Ready.

The blanks, and tags for Hunters' license have been received by the County Treasurer and hunters may now secure them.

The Game Commission will not allow the Treasurer to appoint Justices of the Peace as heretofore, but all licenses must be issued by the Treasurer or Deputy. For this reason Treasurer Hess has appointed W. C. Davis, of McConnellsburg, special Deputy to issue the licenses. All applications in person or in writing, should be made to Mr. Davis. If you send your application by mail, you must write out plainly answers to the following questions, and enclose a stamp for the return of license: Name in full? Postoffice address? Age? Complexion? Color of Hair? Color of Eyes? Height? Written consent of one parent must accompany application of persons under age of fifteen.

Mr. Davis will be found at his office during the entire season, and hunters following the above instructions may easily secure their licenses promptly by mail.

Damascus Picnic.

A large crowd attended the Damascus Christian annual Sunday School picnic which was held in J. C. Comer's grove, August 8th. Order was excellent, and the recitations were strictly in accordance with the occasion, and were the best ever rendered in this locality. Former pastor, A. G. B. Powers opened the meeting with prayer. The speakers appeared to be at their best, and delivered impressive and instructive talks. The speakers were: C. J. Brewer, Stanley Humbert, A. B. Gordon, Rev. Edward Mellott, Rev. A. R. Garland, and A. C. Peck. The church choir and the Needmore band furnished the music.

Odd Fellows Reunion.

Notwithstanding the threatening weather, a large crowd assembled in the grove at Fort Littleton last Saturday to be present at the annual reunion of the I. O. O. F. Lodges of this and neighboring counties. Rev. B. H. Hart, D. D., of Harrisburg, was speaker of the day. His address was up to the standard of this popular speaker's discourses, and we have heard many compliments paid him by pleased hearers. The Dry Run Band was there, and fully sustained its reputation for good music. Rain in the afternoon spoiled the tournament; but two prizes were contested—a whip, and a bridle. Robert Cromer won the bridle, and Willy Mellott, the whip. The saddle was not put up, owing to the rain. Good order was observed throughout the day.

That Memorial Arch.

Subscriptions to the Memorial Arch fund have not been numerous during the past week. If you want your name to appear on the honor roll, subscribe something. If twenty-five cents is all you can afford—put it down. Of course, there will have to be many subscriptions of larger amounts; but twenty-five cents each from enough people would build a battleship.

Young people are requested to submit drawings of arches to span a thirty-six-foot space. The drawings will all be examined by the committee and the one selected will receive honors. Not many from outside of the County Seat have responded. Information can be had at Seylar's drug store, Greathead's Smoke Shop, or at the News office.

COMPLETE LINE OF FARM MACHINERY, REPAIRS, HARDWARE, STOVES, &C.

Just now, I want to call especial attention to the
Ontario Grain Drill
I have sold this Drill to the farmers of Fulton county for ten years, and for sowing wheat and phosphate it stands without a peer.

The Steel King Wagon

One-third lighter and stronger than any other wagon built. It has an axle that cannot be broken and is fully guaranteed. These wagons are used on the mountain every day by C. R. Spangler and J. W. Mellott in their heavy lumber hauls, and give best of satisfaction.

CORN HARVESTERS

Farmers were a little slow about taking hold of Corn Harvesters at first, just as they were with the Reaper when it first came out; now, farmers would as lief cut wheat with a cradle, as corn with the old fashioned corn cutter.

ALL ORDERS FILLED PROMPTLY.

L. W. FUNK
-- DEALER IN --

High Grade Plain Pianos, Player Pianos, Organs, Victrolas, Records, and Professional Turner, McConnellsburg,

Nothing adds more to the refinements of home than good music. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me.

There are families in every part of this county that have purchased instruments from me. Ask them about me.

Perhaps you want to trade your organ for a Piano, or Player Piano; or your Plain Piano, for a Player. See me. Let's talk it over.

L. W. FUNK.

It's Victrola Time

And it's saying a good deal but it's true, that there never was as large a line of talking Machines in town.
We have the following sizes in the Victor: \$15, \$25, \$40, \$50, \$75, \$100 in stock.
Also have the \$30 size in the Edison.
Try us on Records for both machines.
