For that new suit to wear to the Old Soldier's Reunion, you should see the new ones for Fall at J. K. Johnston's 8-6-2t.

Do not forget that the Soldiers' reunion at Needmore is to be held on September 4th, instead of November, as first announced.

**HIDES.**—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins, sheepskins and tallow.

There will be a temperance lecture at Siloam M. E. church Saturday evening, August 15th, at 7:30 o'clock; at Ebenezer Sunday August 16th, at 8 o'clock p. m. and at Asbury, August, 16th, at 7:30, p. m.

Frenchmen and Germans, of New York, who drink nothing but French wines, or imported German beer, are in a "sweat" as to how they may secure their respective beverages if the war keeps up. We wonder if the bullfrog industry in France will suffer? Wish we had a mess of frog's legs, right now.

M. A. Detwiler, R. R. mail carrier at Three Springs, ran out his auto, greased it good, put some Rockafeller juice in the tank, loaded up H. H. Berks tresser, J. W. Cutchall, and A. M. Corbin, of Taylor township, last Sunday, and started for Washington, D. C., where his three passengers will take in the sights while he is attending the Rural Route Mail Carriers' Convention which meets in Washington this week. The party passed through this place early Sunday morning.

**The Sunday Record.**

In every home, where keeping abreast of the world's progress day by day is regarded as an educational duty as well as a pleasure, the Sunday newspaper ought to be a welcome visitor. In discriminating homes, particularly where there are young people whose tastes and opinions are largely molded by what they read, as much care and judgment should be exercised in the selection newspaper as in the choice of books. We commend "The Philadelphia Sunday Record" to our readers as a paper that is as clean as it is conscientious in the presentation of the news; as varied in its appeal to every member of the family as it is vigorous and as indispensable as it is interesting.

**Evangelists at Mt. Union.**

Do not forget the evangelistic campaign to begin at Mount Union, Pa., August 28th, to last four weeks, of which we gave our readers a lengthy write-up a few weeks ago. The tabernacle, erected for the occasion, will accommodate 2,000. The well-known evangelist, Rev. Robert E. Johnson of Chicago, and party, will conduct the services. There will be an immense chorus of voices and an orchestra of forty pieces. Prof. W. W. Weaver will act as musical director. The local ministers and some of the business men of the town have the business end of the campaign in hand, assuring a successful management.

**Notice to Teachers.**

On account of resignation of the teacher of No. 1, advanced school, in Wells township, Fulton county, Pa., the Board desires a teacher for said school, and will receive applications for same until September 1st. An experienced teacher is preferred.

By order of the BOARD,  
John R. Lockard, Secretary,  
Enid, Pa.

**DON'T BE MISLED.**

**McConnellsburg Citizens Should Read and Heed This Advice.**

Kidney trouble is dangerous and often fatal. Don't experiment with something new and untried. Use a tested kidney remedy. Begin with Doan's Kidney Pills. Used in kidney troubles 50 years.

Recommended here and everywhere. A McConnellsburg citizen's statement forms convincing proof. It's local testimony—it can be investigated.

J. H. Covalt, retired merchant Pleasant St., McConnellsburg, Pa., says: "Kidney trouble runs in my family I guess. I had trouble from the kidney secretions and couldn't rest, as I had to get up several times at night to void them. I suffered from rheumatic twinges and I had dizzy spells and chills. Headaches also bothered me. I was advised to try Doan's Kidney Pills, and I got a supply. Two boxes relieved me. I don't hesitate at any time to recommend Doan's Kidney Pills to my friends."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Covalt had. Foster-Milburn Co., Props., Buffalo, N. Y.

**The Kyper Reunion.**

The Second Annual Kyper Reunion will be held on the Old Homestead Farm, one mile from McConnellsburg, Pa., on Saturday, Sept. 5, 1914. Last year, the first reunion was a great success. This time we want to make it a greater success, and we want all members of the family and friends there. Some means of transportation will be provided to get those who attend, to and from McConnellsburg station. A program will be prepared. Hon. Benj. K. Focht, ex-congressman of the 17th district, will be present to make the leading address. Members of the family are requested to send word to their particular kin and be there themselves. Anybody may attend who desires, whether members of the Kyper connection or not. Come and bring your baskets well filled. August 10, 1914. Committee.

**Keep to the Right.**

The state highway or the Lincoln Way is not the safe place it used to be. Automobile traffic is supplanting the horse and buggy and a rapid rate of travel with a heavier vehicle makes danger more imminent. The easy glide of the machine, and its rapid advance makes it dangerous for all kinds of travel not only for pedestrians and vehicles drawn by horses but for automobiles too. Sharp curves are extremely dangerous for all. The public should be guided by this advice. A careful vigilance and a slackened speed is absolutely necessary and the recognition of the universal rule of keeping to the right in all instances. It is surprising to know how many people are entirely ignorant on this rule of street etiquette.

**Conference Meeting.**

The Rays Hill and Southern Pennsylvania Christian Conference will meet in its sixty-ninth annual session with the Pleasant Grove Christian Church, two and a half miles west of Needmore, on Wednesday, August 26th, at 2 o'clock, p. m., and continue over Sunday. All well-disposed people are cordially invited. It is expected that ministers from other parts of the county will attend. Special invitation to ministers of other denominations is extended. It will be a big gathering. Disorderly conduct and drunkenness not allowed.

A. R. GARLAND, Pastor.

**Business Men's Picnic.**

The second annual picnic of the business men of McConnellsburg and their friends will be held at Dougley, Wednesday afternoon, August 19th, to which all are cordially invited. Stores will close at noon. Band concerts and base ball will be features of the day. Take a half-day off and be the better for it—physically, morally, mentally, socially, and financially.

**FORT LITTLETON.**

Mr. and Mrs. Albert B. Lake and two sons returned to their home in Pitcairn last week, after having spent several weeks in the home of Mrs. Lake's sister, Mrs. J. C. Keebaugh, at Fort Littleton, from which place they visited the family of Harrison Cutchall and others.

Mr. and Mrs. Sylvester Cunningham, and Mrs. Harrison Cutchall were recent guests in the home of J. C. Keebaugh, at this place.
