**HERE'S PROOF.**

**A McConnellsburg Citizen Tells of His Experience.**

You have a right to doubt statements of people living far away but can you doubt a McConnellsburg endorsement.

Read it:  
F. M. Taylor, civil engineer, Water St., McConnellsburg, says "I suffered from severe pains in my back and loins. My kidneys were weak and their action irregular. I was advised to use Doan's Kidney Pills. I got a box and they gave me great relief. I always take them with me when I go out of town because if I catch cold, I get a slight attack of the trouble. When this occurs I can always depend on Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Taylor had. Foster-Milburn Co., Props., Buffalo, N. Y.

**Bert Hann Buys Store.**

What could be more natural in the series of historical events at Saluvia than that Bert Hann should fall heir to that trading point after the departure of the Manns last Friday? Even the forms of the names are so similar that the difference between the M and the H in the names is scarcely distinguishable, and besides, both are members of old families of that section. On the departure of Mr. C. H. Mann last Friday, Mr. Hann took charge of the store, and his daughter, Miss Grace, took up the duties of postmistress, the purchase of the store, and the appointment of postmistress, having been made a few days previously. Store and postoffice are in the same room. Squire Hann expects to add several sources of income to the store business. The News wishes them abundant success.

**DEMOCRATIC CANDIDATE FOR GENERAL ASSEMBLY**

GEORGE B. MELLOTT

Hon. George B. Mellott is well known to almost every voter in this county, as a successful farmer and business man, and as a faithful representative in the last General Assembly of the State.

At no time during the sessions of the term which he served in the Legislature did he neglect his post of duty, and as proof of his record of how closely he applied himself to business, and how he voted on all bills, he respectfully refers any and all to the legislative records at Harrisburg.

In asking for your vote at the coming election, Mr. Mellott is gladly answering all inquiries as to how he stands. He makes no pretence to carry favor by giving evasive replies as to how he will vote on certain bills that are expected to come before the Legislature.

Particular stress is laid upon the necessity of returning him to the next sessions by reason of the fact that the election of Hon. Vance C. McCormick for governor is practically assured, and, in order that the reforms that Mr. McCormick stands for may be carried out, it will be absolutely necessary that legislators, who are in full sympathy with Mr. McCormick, be elected. Mr. Mellott is standing by Mr. McCormick on all vital questions concerning the moral and industrial welfare of the State, and all know how Mr. McCormick stands. When McCormick was mayor of Harrisburg he cleaned up that city as never before; he gave every cent of his salary to benevolence while mayor; he is now fighting for the cleansing of the whole State. Mr. Mellott fully believes in the rule of the people, and he will be better able to work to that end during a second term, to which he respectfully asks your support at the election on November 3rd.
