**WELLS' TANNERY.**

Last week William Mellett, and brother Joe who is employed with Reichley Bros., and brother Ellis of Everett, started to cut a bee tree which the former had found last Deer season while hunting deer on Ball Hill. It has in a large pine about 4 feet across the stump. They returned home in the evening after a hard day's work, the trip being about 12 miles and then had to carry with them home 94 lbs of fine honey. Some honey, was it not?

Reichley Bros. are still rapidly moving along toward the pike with their railroad, and are almost to the Three mountain road They have the right of way that far.

On Monday of last week Henry Minnick, who is driving team for Reichley Bros., and who is proprietor of Oregon Camp—while hauling logs was struck in the left side and knocked to the ground with a pole which struck a stone and almost broke his ribs.

Along the pike on Siding Hill mountain at a place which is known as Stony Battery, a wild cat was heard by Jack Deshong of Salvia who is employed on the State Highway. The cat was also heard by Arthur Wilky who is night watchman and shanties there. He said it was on his shanty roof.

One of the most interesting revival meetings ever held in the Valley is now in progress at the United Brethren church, conducted by their pastor, Rev. Benson. Thirty three persons have professed saving faith in Christ—many of them being from Upper Wells. All denominations are attending, and working in perfect harmony with only one thought in view—the winning of souls for Christ.

Mrs. Catherine Spangler who had been spending the summer with her daughter Mrs. Will Hoke in Montgomery county, has returned to the old home to spend the winter with her son Harry.

Mr. and Mrs. Charles Fluke have vacated Harlan Wishart's tenant house, and Mr. and Mrs. Rhody Gibson will move into it this week.

Mr. and Mrs. Walter Doll, of Altoona, are visiting the latter's parents, Mr. and Mrs. W. B. Stunkard.

Charles Burkett and family have removed to Altoona. George Blatchford, one of Hopewell's prosperous merchants, came over to Wells Tannery Monday in his new "1915 Hudson." It's a beauty.

Mrs. Will Barnett and children of Minersville, are visiting the former's parents, Mr. and Mrs. J. W. Barnett.

Miss Alice Wishart entertained, her Sunday School class of girls very pleasantly Halloween evening. This is a grand thing for a teacher to do. It does much to bring teacher and class into more endearing relations, and exemplifies the practical side of religion.

**Caad Of Thanks.**

The family of J. Tilden Hill desire in this way to express their gratitude to the many friends and neighbors for kindness and sympathy during illness and death of husband and father.

**HIDES.**—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins sheepskins and tallow.

**L. W. FUNK**

DEALER IN

High Grade Plain Pianos, Player Pianos, Organs, Victrolas, Records, and Professional Turner, McConnellsburg,

Nothing adds more to the refinements of home than good music. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me.

There are families in every part of this county that have purchased instruments from me. Ask them about me.

Perhaps you want to trade your organ for a Piano, or Player Piano; or your Plain Piano, for a Player. See me. Let's talk it over.

L. W. FUNK.
