Japanese Dolls

One of the wrecked guns of the little fort at Tsing Tao put out of commission by the Japanese siege guns.

The land of the cherry blossom is the modern paradise for dolls so far as housing them is concerned. The home of the little lady of the obi is completed down to the pen and ink and writing pad with which no doubt, she indites her love notes. Novel Means of Communication.

They subscribe small sums of money to the German Red Cross society but as few of them have any cash they fill up a draft or sign a check to be sent to London and honored. On the back of the draft the banker is requested to communicate the news of the drawer's safety to his home. Tommy Atkins thinks it is well worth a dollar subscription.
