## AMERICAN STUDENTS SEND AMBULANCES TO THE WAR

Herewith are shown two of the new Red Cross ambulances which were purchased with funds raised by the students at Yale and Harvard universities, and which are soon to be sent to Europe and used where they are most needed. ## Important Legal Ruling.

The latest ruling on the admissibility of "dying declarations" in evidence in criminal cases is made by the supreme court of Georgia in Sewell vs. State, in which the court states in its syllabus:

"In a murder case it was error to charge the jury that 'when death is approaching and the dying man has lost hope of life, and his mind feels the full consciousness of his condition, the solemnity of the scene gives to his statement the sanctity of truth, and such dying declaration, when made under such circumstances, may be given in evidence and submitted to the jury.' Such charge tended to unduly impress the minds of the jury with the weight of the evidence contained in dying declarations, as to which juries do not require any emphasis from the bench."

## Physique Counts for Much.

Muscular movements are the golden chords of good works which mingle with the visions of great deeds and harmonize the soul of man with purer worlds. They give both a source of reserve power and confidence, a power of growth, of good and of evil, which nothing else does. Optimists are usually men and women who come from a vigorous, stocky, muscular race. They are of the type who are potentially as well as actually of fine physique.

## The Young Wife.

"My wife got her recipes mixed, and all her hard cooking went for nothing."  
"How was that?"  
"She tried to make chocolate fudge out of a formula for cleaning brass work."

## TAUBE INTERRUPTS A CARD GAME

During an interval of fighting in the trenches in the Argonne some French infantry and Red Cross workers secured a pack of cards and were evidently having quite an interesting game when one of their number noticed a German scout in a Taube machine flying at a good distance above their trenches. They all ceased playing and fixed their gaze on the little dark streak in the sky.

## BILIOUS, HEADACHY, SICK "CASCARETS"

Gently cleanse your liver and sluggish bowels while you sleep.

Get a 10-cent box. Sick headache, biliousness, dizziness, coated tongue, foul taste and foul breath—always trace them to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach. Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache. Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels. A Cascaret to-night will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months. Adv.

## Getting Back at Him.

There lived in a certain county a Mr. Crane, who had for a neighbor a Mr. Fuller. Crane and Fuller were not the best of friends, and scarcely ever met without having a passagat-arms.

Meeting one day, Fuller said: "Crane, what is the difference between a crane and a meadow hen?" "Oh," replied Crane, "there is a great deal of difference. The meadow hen is fuller in the body, and fuller in the neck, and fuller in the breast—in fact, it is fuller all over."

## MEAT CLOGS KIDNEYS THEN YOUR BACK HURTS

Take a Glass of Salts to Flush Kidneys if Bladder Bothers You—Drink Lots of Water.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become overworked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.—Adv.

"There's no use talking," began Mrs. Nagg.

"I know it," interrupted Mr. Nagg, "and the fact that you persist in talking after making that declaration simply proves what I have often asserted, regarding the lack of logic exhibited by some women. Now proceed with your lecture."

**A Necessity in Every Rural Home** Is a bottle of good liniment. Yager's Liniment is the best external remedy for man or beast. John Abernath, Clermont Mills, Md., writes: "For 4 years I suffered with rheumatism, had to walk on crutches and the doctors said my case was chronic and incurable. I tried Yager's Liniment; it is the best liniment to relieve pain I ever used, its action is so prompt and effective."
