Mr. and Mrs. Robert Mellott, of Laurel Ridge, were in town yesterday. Mrs. Mellott presented the office force with some fine Grindstone apples. We do not know whether or not there is any significance in the kind of apples she gave us. Perhaps she thought we needed something with grit in it; but if she only knew, we have had our noses on the grindstone for many years.

Isaac Bolinger, wife and children Mary, Morrow, and Alice—of Shade Gap—called last Saturday while on their way through town in their Maxwell to visit Mrs. Bolinger's sister, Mrs. John Mellott, near Mercersburg. They left McConnellsburg about three years ago for their present home.

J. A. Stewart, of Green Hill, reported on last Monday that he had sweet corn, field corn, and potatoes peeping nicely through the warm soil. Perhaps if May frost should happen along this way, these plants may not suffer as much as the later planted and consequently, more tender plants.

W. M. Hann had the misfortune last Thursday evening to mash one of his fingers badly. He was driving shingles on the roof of John H. Wible's house, and made a "miss," and "hit" his finger with the hatchet. O, no, it didn't hurt much! Have you pounded the end of your finger with a hammer?

John A. Hann, of the State Police force, stationed at Butler, Pa., spent a few days during the past week with his parents, Mr. and Mrs. W. M. Hann, and with other relatives and friends in the County. John spent three years in the United States army, and during part of that time was stationed down on the Mexican border.

The Orbisonia Dispatch says that Philip Locke, of Locke's Valley, near Shade Gap, is perhaps the oldest person in Huntingdon county. His birthday comes in the middle of July and should he live until that time he will be ninety-eight years old. He was born and spent his life in the same little valley and perhaps on the same farm. He is the father of Nahum Locke, a distinguished veteran of the Civil War, who resides on the old farm and tenderly cares for his old father. Mr. Locke has been a farmer all his life, and a good substantial citizen.

Our representative, Hon. Geo. B. Mellott, voted for local option when the question came up in the House last Wednesday, as did every other Representative in this Congressional district. George, and also one Martin Brumbaugh, formerly of Huntingdon county, both think that if this is a government of the people, for the people, and by the people, there is no inconsistency in allowing the people to decide whether or not they want intoxicating liquors sold to their boys, notwithstanding the liquor seller pays a smart license for the privilege.

Last Thursday morning Carl O. Grissinger, an important factor in the Shapiro store at Broadtop City, and his brothers Cloyd A., and James E., who are in the moving picture business at the same place, came down to New Grenada in their Overland, and there picked up their brother Harry A., and their father James L., and came into McConnellsburg and took dinner at the Fulton House. "Jimmie" as the father is familiarly known, is by no means a light weight, and the boys which by combining the initials, he call "Cog," "Cag," "Jeg," and "Hag" are chips out of the old block as far as avoirdupois is concerned, for the five men made a load of over 900 pounds for the sturdy Overland.

S. S. Spring Opening Day Report.
Monday and Tuesday brought the splendid report that twenty three of the forty six, one half of the schools of the county, observed Spring Opening Day, with a total attendance of 1406. One school had planned for the opening but a funeral changed the plans, and eleven others from whom reports were received failed to give the number in attendance, on Sunday and therefore are not reported in the above. One grand result is that many new members were added to the schools during the week.

DEALER IN

High Grade Plain Pianos, Player Pianos, Organs, Victrolas, Records, and Professional Turner, McConnellsburg,

Nothing adds more to the refinements of home than good music. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me.

There are families in every part of this county that have purchased instruments from me. Ask them about me.

Perhaps you want to trade your organ for a Piano, or Player Piano; or your Plain Piano, for a Player. See me. Let's talk it over.
