Mrs. Mary A. Kelley, and Mrs. J. G. Alexander and son George, spent ten days visiting in Thompson township, the former visiting her sister and brothers, and the latter, Mrs. Alexander's parents, Mr. and Mrs. C. J. Wink.

Last week many fires occurred in the state forests; 7,000 acres burned in Cumberland county. Four or five hundred acres were burned over along Licking creek in this county. In most instances, the fires originated in burning brush heaps. Fortunately, a heavy rain put out the fires.

Frank Miller, a tenant farmer living near Marks, Franklin county, aged about fifty years, went out near the barn and pens last Thursday morning to shoot rats. Some of the family heard the shot and later little Frank ran into the blacksmith shop to see what his father had killed. He found the body of his father lying just inside the door of the shop, with the top of his head blown off, and the gun lying across his breast. He was married and had several children. He was a highly esteemed citizen, and had lived on that farm 22 years.

Clarence Hollingsworth was killed almost instantly in Waynesboro on Wednesday evening of last week, when he ran into an automobile on Main Street. He was about 14 years of age and was being chased by a playmate and attempted to run across the street, and without noticing the approach of the car, ran right into it, two wheels of the car running right across the boy's neck causing death instantly. An inquest was held, but it was shown that the driver was running at a moderate speed, and he was exonerated from any blame in the sad accident.

Listen, Mother.

Just look around the house, down in the cellar, up in the attic, out in the yard, in the stable or loft—everywhere—and see how many things, useless to you and yours, are lying about, cluttering up the place.

Every apparently useless article is worth money—hard, spot cash.

There is more stuff—cast off or unused—around most houses than would, if sold, clothe one or two persons for a year.

Make a tour of the house. Make out a list of the things you do not want and never will want. Mark down the very lowest cash price you will take for the things. Add up the figures and the total will surprise you.

Now to turn these useless things into money for yourself: Fix up a little ad something like this:

"For Sale:—Second-hand heating stove, bureau, bedstead, churn, three upholstered chairs, quantity of clothing, several bags of rags, etc., etc."

Send the ad to us. It will cost one cent a word to put it in the paper once, or two cents a word for two times.

Just for fun take that trip around the place and see what a lot of things you can turn into money, then sign your name, and tell where you live.

Memorial Day at Warfordsburg.

Warfordsburg is making great preparations for Memorial Day services, to be held May 29th, at the Presbyterian Cemetery. The Warfordsburg Lodge of I. O. O. F. will have charge, and all Patriotic and Fraternal orders are invited to participate. The entire community is requested to cooperate in making it a success.

The order of the day will be as follows: Prayer by Rev. May; Address of Welcome by W. B. Ranck; Response by W. L. McKibbin; Patriotic Addresses by Hon. S. W. Kirk and Hon. B. K. Focht; Music by Needmore Cornet Band.

The veterans of the Civil War have almost all passed away, and Grand Army Posts are dropped out of existence for want of members. Decoration Day will soon be a thing of the past unless taken up by other patriotic or fraternal orders, and for this reason, the Warfordsburg Lodge desires to make this a red-letter day in memory of our deceased soldiers, and we respectfully solicit the support of the community. You are cordially invited to attend.

**THE INDUCEMENT
WE OFFER**

We do not give something for nothing. No merchant can do that and continue in business.

We do not sell goods below cost. You would not do that yourself if you were a merchant.

We do not advertise to do either of these things. For we advertise to do only that which we faithfully accomplish.

But we do advertise to give you the best and biggest dollar's worth of goods for a dollar of any store in this community. And we give what we advertise.

We do advertise to give you the best quality of goods of any store in this community. And we give what we advertise.

We do advertise to give you the best service of any store in this community, and we give what we advertise.

We do advertise that we will treat you exactly as we like to be treated when we go elsewhere to buy goods we do not handle.

And we do exactly as we advertise.

That is all WE can promise you. But we GIVE what we PROMISE.

The bright days of springtime bring with them new life and energy, and we take this opportunity of calling your attention to many reasonable bargains.

We have yet a nice line of horse collars that was made up for us last winter when the collar business was dull; and for the cash, we bought them at a price that will save you money. See them, as we have never had so good a trade on Harness and Collars—98c., \$2.40, 2.50, 3.00, 3.25, and \$4.00. Nice line of Buggy Harness—\$12.25 to \$16.00. Flynets; hitching straps, hame straps, plow lines, check lines, buggy and team bridles, and lead reins. Front gears, \$3.98 and 4.25—and not split leather. Rawhide tie-up straps, 10c a bunch. Don't forget that we have the same Lawn Mower with all brass bearings, 12 and 14-inch, that we have handled for five years—2.50 and 2.65. Garden plows 1.98. Steel garden rakes, 25c., onion hoes 20c., broad hoes 20c., Batchelder manure forks 55c., dirt shovels 38 to 55c., heart hoes 38c., mattock hoes, 40c.

SHOES SHOES SHOES

We think we have the greatest line of Child's, Misses, Boys', Ladies' and Men's shoes. We buy about all of our shoes direct from the manufacturer and save the jobbers' profit. When Will It Be?

When will "Clean-up" Day be when wagons for hauling away refuse may be had by the day instead of by the load? Or rather when a teamster may haul away your pile for a much less sum than he could afford if that were all he would get? Set the day engage a teamster, and have the

job over—all in one day—all over town. If that railroad should happen along this way sooner than expected, incoming strangers must not see dirty alleys.

Get After Them Now.

If, by killing one fly now, you prevent 1,000 from being hatched, it is not a difficult matter to calculate that, by killing 100 flies

before they lay their eggs, you will in this manner prevent 100,000 from being hatched to carry disease into your family this summer. Flies breed in privies, manure piles, and filth of all kinds. All effort to keep these places cleaned, is well repaid by the lessening of the fly nuisance and danger. Trap and kill the parent flies now.

Come and See!

If you need furniture, we have it. Chairs \$2.50 to \$8.50 a pair. Rockers, \$2.00 to \$5.00; Sideboards \$11.50 to \$18.50; Cupboards to \$13.50; Kitchen Cabinets \$5.50 to \$17.50; Oak Suits \$20.00, \$25.00, \$30.00, and \$35.00; Wooden Beds \$2.00 to \$6.00; Dressers \$5.75 to \$12.50; Couches \$5.00 to \$15.00.
