A fresh supply of The National Biscuit Company's goods at the Runyan Store.

Mr. and Mrs. George Wilson, near Fort Littleton, spent Tuesday in town. Mrs. Wilson has been suffering much with rheumatism lately.

Henry Price, 22 years of age, lost control of a motorcycle he was attempting to run near Bedford last Sunday afternoon, dashed into a pole, and was killed instantly. He was just trying the machine out—his first ride.

Associate Judge W. B. Stigers and little daughter Margaret took time from hauling milk to Hancock long enough to bring Lee Charlton and his daughters Lavine and Gladys to town on Monday. Gladys will attend summer normal.

County Commissioner Francis Hoover of Juniata county placed a gun in his hogpen near his poultry coop intending to kill a fox. Upon reaching for it last Sunday, it was discharged in a mysterious manner and Hoover's head blown off.

An automobile party consisting of Earl Swartzwelder, Miss Lula V. Naus, Mrs. Mildred Parsons, and Mr. and Mrs. Walter Allen, came down from Bedford last Sunday afternoon, took supper at the Fulton House, and returned home in the evening.

The Epworth League of the M. E. church will give a reception to all students attending the Summer Normal School on Friday evening, of this week, at 7:30 in the lecture room of the church. A full attendance of the members of the League is requested.

Albert and Ross King, Mr. and Mrs. W. H. Heefner, and Jesse Heefner and Edwin Brant, of Taylor township—all in Albert's Ford touring car, made a trip to McConnellsburg last Friday. They are all heavy-weights, except the ladies—and they did not have to walk up the hills "neither."

John W. Fields, a former McConnellsburg boy, and now editor of the Oklahoma Farm Journal, has been devoting much space to the discussion of one-man farm tractors. Last week he told of the sale in one day of 40 of these little farm engines. He says they do more, and cost less, than four horses.

During the past few years, when the reservoir in Bedford became low, the supply was kept up by pumping raw water from the Juniata river into it, which of course, was served up to the residents of that town for drinking purposes. The citizens protested, but that did not change conditions. Now, Dr. Dixon has taken the matter in hand, and issued a decree restraining the managers from furnishing river water unless it is passed through an authorized filtering plant.

During the summer of 1872, Mr. John Lake who now owns and lives on the Shaffer farm on the Lincoln Highway three miles west of McConnellsburg, worked for the late Joseph Palmer in Belfast township. While out in the field one day, during that summer John inscribed his initials on a land tortoise. A few days ago, John's brother William, who now owns and lives on the farm, picked up the same tortoise in one of the fields on the same farm, and the letters were still very legible, although carried forty-three years.

THE INDUCEMENT WE OFFER

We do not give something for nothing. No merchant can do that and continue in business.

We do not sell goods below cost. You would not do that yourself if you were a merchant.

We do not advertise to do either of these things. For we advertise to do only that which we faithfully accomplish.

But we do advertise to give you the best and biggest dollar's worth of goods for a dollar of any store in this community. And we give what we advertise.

We do advertise to give you the best quality of goods of any store in this community. And we give what we advertise.

We do advertise to give you the best service of any store in this community, and we give what we advertise.

We do advertise that we will treat you exactly as we like to be treated when we go elsewhere to buy goods we do not handle.

And we do exactly as we advertise.

That is all WE can promise you. But we GIVE what we PROMISE.

The bright days of springtime bring with them new life and energy, and we take this opportunity of calling your attention to many reasonable bargains.

We have yet a nice line of horse collars that was made up for us last winter when the collar business was dull; and for the cash, we bought them at a price that will save you money.
