**Rededication Services.**

The edifice of the Whips Cove Christian Church having been remodeled during the past winter, will be rededicated the fifth Sunday of May at 10:30 A. M. by Rev. Jess W. Hoffman, Evangelist, of Everett. Rev. Hoffman will be accompanied by his singer Prof. Thomas. This house of worship has been brought up to the minute in modern country church house construction. An all day service will be held, if weather permits, dinner on the ground.

We take this method to give all a cordial invitation to attend this service. We are looking for You. We will be very much disappointed if you disappoint yourself by not coming, and us by not having your presence, since nothing will be spared, not even the patriarchs of the fowl family to make you comfortable, during the day.

**Frost Killed Leaves.**

D. D. Hann and John R. Fegley, of Licking Creek township, came to town last Friday by way of the Meadowgrounds, and noting the effects of the previous Wednesday night's frost, they stopped in the Meadows and cut off some of the frozen bushes which they showed us. The leaves indicate that there had been a very hard frost on the night of May 19th. For the benefit of distant friends we will add that traces of frost throughout this county have been seen on many mornings immediately prior to that date, but we have heard of no serious damage to gardens or crops.

**A Dog and a Deer.**

On Wednesday evening of last week, David Wible, tenant on Mrs. Margaret Johnston's farm, near Cito, heard a dog and the pitiful bleating of a deer in Mrs. Johnston's potato patch. Taking his gun, Mr. Wible ran to where the deer, a spike buck, was lying. The dog had torn off the deer's tail and was otherwise mutilating the animal. Mr. Wible fired a shot at the dog as it ran off. The deer could not rise, and as Mr. Wible did not care to end its misery by killing it, probably for fear of the law, he left it lie. Next morning he saw the dog beside the dead body of the deer which was then badly torn up. He fired two more shots at the dog as it ran away, but failed to kill it. No one seemed to know whose dog it was. It was described to us as resembling a red Irish setter. The deer had a mark across the front of its head that might have been made by a wire which the animal may have struck in attempting to jump over a fence.

**The Community and the Bank.**

When outside capital seeks an investment in any section, the first thing investigated is the condition of the banks.

The larger the deposits and the better the facilities, the more stable the community appears to the outsider.

The FULTON COUNTY BANK has stood for thrift and progress not only of the bank but of the community at large. This policy has enabled us to offer banking facilities far in advance of many larger towns.

Our home people appreciate the protection and security we offer for their savings. Our large CAPITAL AND SURPLUS—our large burglar-proof and fire-proof vaults—insure protection from burglary or fire. Still further we carry BURGLAR, HOLD-UP, and FIRE INSURANCE to protect EVERY DOLLAR in our vaults.

The hundreds of people who have inspected our NEW HOME can testify that we offer every protection possible.

—DEALER IN—

High Grade Plain Pianos, Player Pianos, Organs, Victrolas, Records, and Professional Tuner, McConnellsburg,

Nothing adds more to the refinements of home than good music. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me.

There are families in every part of this county that have purchased instruments from me. Ask them about me.

Perhaps you want to trade your organ for a Piano, or Player Piano; or your Plain Piano, for a Player. See me. Let's talk it over.

**THE INDUCEMENT WE OFFER**

We do not give something for nothing. No merchant can do that and continue in business.

We do not sell goods below cost. You would not do that yourself if you were a merchant.

We do not advertise to do either of these things. For we advertise to do only that which we faithfully accomplish.

But we do advertise to give you the best and biggest dollar's worth of goods for a dollar of any store in this community. And we give what we advertise.

We do advertise to give you the best quality of goods of any store in this community. And we give what we advertise.

We do advertise to give you the best service of any store in this community, and we give what we advertise.

We do advertise that we will treat you exactly as we like to be treated when we go elsewhere to buy goods we do not handle.

And we do exactly as we advertise.

That is all WE can promise you. But we GIVE what we PROMISE.

The bright days of springtime bring with them new life and energy, and we take this opportunity of calling your attention to many reasonable bargains.
