If any one imagines that Suffragettes cannot perform the duties of citizenship, let him take a look at the big, smooth potatoes raised by Miss Mollie Seylar in her home garden. The big tubers were as numerous in the hill as the most ardent suffragist could wish to see "Votes-for-women" voters at the next election.

Dr. N. C. Trout, accompanied by Miss Sabina Landis a senior nurse in the University Hospital, Philadelphia, came over from Fairfield, Pa. last Saturday evening and spent the time until Monday in the home of the Doctor's mother, Mrs. M. Geo. W. Swope, of Wells Tannery, spent a few hours in town last Thursday, and called at the NEWS office to have the figures on the label of his paper changed to "16." Mr. Swope keeps in touch with current events by reading a daily paper; and while he is a "peace man," he does not believe that Uncle Sam ought to allow Bill to pull his beard too often.

L. W. FUNK

DEALER IN

High Grade Plain Pianos, Player Pianos, Organs, Victrolas, Records, and Professional Turner, McConnellsburg,

Nothing adds more to the refinements of home than good music. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me.

There are families in every part of this county that have purchased instruments from me. Ask them about me.

Perhaps you want to trade your organ for a Piano, or Player Piano; or your Plain Piano, for a Player. See me. Let's talk it over.

WAVERLY SPECIAL

Lubrication Without Carbon

There's nothing more important to an automobile than good oil. "Waverly Special" is free from carbon—it is light—it is thin—it feeds easily—it will not congeal. The ideal oil for either air-cooled or water-cooled cars.

Your dealer sells it. If not, write to us. A test will convince you.
