When you read this week's News in the cool "Shade of the Old Apple Tree," think of the printer who got out the paper when the thermometer registered 96 in the shade. We are thinking of you as you reap in the sizzling heat.

The Hancock News says that Austin Lynch, fourteen-year-old son of Paul Lynch, of Bethel township, and who from infancy has been lame in one leg, rode a tricycle from Warfordsburg to Hancock, a distance of four miles in little less than an hour.

All the delegates to the Religion-Temperance meeting at Big Cove Tannery last Sunday afternoon and evening were royally entertained in the families of that section. The big gardens, and the dairies, were not spared to furnish quality and quantity for the tables.

The Shippensburg State Normal School prepares not only for teaching, but for college, technical school or business. The expense at this school for students 17 years of age or more, who wish to teach, is only four dollars a week. Write to the Principal for a catalogue.

Look out for state officers who are quietly circulating in many places taking testimony against violators of automobile laws such as running machines while under the influence of liquor, speeding, and running without license. It is in just such places as Fulton county that they may turn up.

Burgess L. W. Seylar brought home with him from Philadelphia last Friday a Hudson car of a handy type. Climbing to his branch ice cream and lunch stand on top of the mountain, with a horse and vehicle, was too slow during this hot weather; but the trip will now be made in a few minutes.

Rev. J. C. Garland of Belfast township was in town Monday afternoon for some repairs for his mower. Mr. Garland says the grain crop in his township is unusually good this year. Charley Garland threshed the rye from two and a half acres a few days ago and the yield was forty-eight bushels. Wheat is turning out well and of excellent quality.

An automobile party from Waynesboro, composed of Geo. L. Strine, J. W. Swisher and grandson Lawrence Beamer, W. H. Brubaker, and Irvin Hardsook—all in Irvin's car, spent the time from Saturday until Sunday evening in the home of Mr. and Mrs. Corder W. Snyder at Gem. The party was joined at Mercersburg by Miss Maye McEldowney, who accompanied them to Gem and back to Mercersburg.

Mr. and Mrs. R. N. Greathead and their children Carroll, Robert, Eleanor, and Marshall, motored from their home in Norfolk Va., to this place last week, arriving on Thursday evening, and were the guests of Mr. Greathead's brothers and sister. Their actual running time for the 500 miles was about two days—240 miles being the distance for the first days run. After that the party made stops that consumed the time.

Make Dry Cement Floors.

Many farmers would like to use concrete for floors in stables, and for other uses, but on account of dampness absorbed by this material, they have found it unsuitable. Experiments have been going on for a long time at the Public Roads Department, Washington, D. C., and it has been found that oil used in the proportion of one-tenth of the weight of cement, and mixed in a certain way, will insure a dry floor and in no wise impair the strength of the floor or wall. Bulletin No. 230 of the Department of Public Roads, Washington, D. C., gives full directions. Do not undertake to mix the materials before receiving these instructions.

Rehoboth Picnic.

The annual picnic of the Rehoboth M. E. Sabbath School will be held in Prof. Scott's grove on July 31st. The Hancock Band will furnish music through the day and during the rendering of a splendid program beginning at 10 o'clock. During the afternoon there will be plenty of amusement and music. There will also be good speaking by Rev. Raymond Brewer of Sylvan, and J. W. Young of Cumberland and the closing address will be made by Rev. C. Lewis of Hancock.

Big Union Picnic.

Members of the Bedford county Lutheran and Methodist Sunday schools, the Independent Order of Odd Fellows, Knights of the Golden Eagle and the Sons of Veterans will join in a big picnic at Breewood on Saturday, July 24th. The managers are leaving nothing undone to furnish amusement and entertainment. Among the speakers for the day will be two from this county—Dr. W. L. McKibbin, of Buck Valley and Rev. Thomas P. Garland, Needmore. There will be a big free dinner for all.

To Receive Bids.

We the undersigned committee will meet July 31st at 1 o'clock p. m. in the Odd Fellows Grove near Fort Littleton for the purpose of receiving bids for privileges for the sale of ice cream and confectionery, horse feeds, and for a Merry go round, &c., at the I. O. O. F. reunion to be held at that place August 14th.

D. W. CROMER,
J. B. FRAKER,
7-22-21. GEO. SHEFFIELD.

Odd Fellows Picnic.

Fort Littleton Lodge has decided that rather than let the Odd Fellows reunion fall down entirely, they will assume the responsibility, and have therefore set the 14th of August as the date, and the Grove at Fort Littleton as the place. The fact that the Fort is bumping itself means that there will be "something down" on the 14th.

Hot Weather Prices.

M. M. Bender has on hand at his shop on east Market street a nice lot of Iron Beds, Springs, Mattresses, and Chairs. If he does not have just what you want, he can get it on short notice, and these goods will be sold for the next few weeks at hot weather prices. 7-22-21.

Democrats Will Meet.

The Democratic voters of Belfast township will meet at the election house the last Saturday of July from 2 to 4 p. m. for the purpose of securing candidates to be nominated for township offices at the general primary. COMMITTEE.

L. W. FUNK

DEALER IN

High Grade Plain Pianos, Player Pianos, Organs, Victrolas, Records, and Professional Tuner, McConnellsburg,

Nothing adds more to the refinements of home than good music. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me.

There are families in every part of this county that have purchased instruments from me. Ask them about me.

Perhaps you want to trade your organ for a Piano, or Player Piano; or your Plain Piano, for a Player. See me. Let's talk it over.
