**WHAT CATARRH IS**

It has been said that every third person has catarrh in some form.

Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion, which is a medicinal food and a building tonic, free from alcohol or any harmful drugs. Try it.

**Political Announcements.**

**For President Judge of the Court of Common Pleas of the 51st Judicial District.**

DONALD P. McPHERSON, Gettysburg.

Subject to the Non-Partisan Primary.

In announcing my candidacy for President Judge of the Court of Common Pleas of the 51st Judicial District, I wish to thank my friends who, without regard to Party, have so generously expressed their approval of it and to assure every voter of Adams and Fulton Counties that I shall appreciate his suffrage and support.

The Judgeship is now non-partisan—made so specifically by Act of Assembly—and if nominated and elected to that high office it will be my endeavor to observe the spirit of that act and to administer the duties of the office with fidelity and impartiality, to the end that the law may be enforced and justice done.

DONALD P. McPHERSON, July 1, 1915.

J. L. BUTT, Gettysburg, Pa.

To the Voters of Adams and Fulton Counties:

In announcing my candidacy for the nomination for President Judge of the Fifty-first Judicial District I desire to state that I consented to become a candidate because of the number of members of the bar who urged me to do so and pledged me their support, and while I had the matter under consideration, assurance of support and approval came from voters all over the county and district urging the step, and confiding in these assurances, I consented. The office of President Judge is the highest honor in the gift of the people of this district and carries with it the gravest responsibilities.

A Judge must not only know the law and be a student of the law, but must be without prejudice and bias in the administration of the law, the rights of the humblest citizen must be as sacredly maintained as those of the most exalted or of the great corporations. He must weigh all matters carefully so that only justice and righteousness is done. The non-partisan law aimed at the highest judicial ideal in the separation of the Bench from politics and party organizations I pledge myself to the highest ideals of justice and right in the discharge of every duty if nominated and elected to preside over the Courts of this district, and as an assurance of such pledge let the life I have lived in your midst speak for itself. I will highly appreciate all support.

Most respectfully yours, J. L. BUTT, July 8.

Your vote and influence are solicited.

DAVID GREGORY, Thompson township.
