Miss Sylvia Claster, of Harrisburg, visited Miss Jean Johnston last week and part of this.

When you visit Hancock, either take a strong guard with you or keep out of alleys and dark places. It's getting to be a bad place for hold ups and robberies.

Mrs. W. E. Bair, of Green Hill sent a big poke of apples to this office last Saturday, and some of them were from last year's crop. They were as fresh and sound as when picked. What a fine climate they must have out there to preserve apple until August! Open a summer resort and your fortune is made, Mrs. B.

A WORD FOR MOTHERS

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life. If your work is tiring; if your nerves are excitable; if you feel languid, weary or depressed, you should know that Scott's Emulsion overcomes just such conditions. It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build strength. Scott's is strengthening thousands of mothers—and will help you. No alcohol. Scott & Bowne, Broomfield, N. J.

High Grade Plain Pianos, Player Pianos, Organs, Victrolas, Records, and Professional Tuner, McConnellsburg,

Nothing adds more to the refinements of home than good music. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me.

There are families in every part of this county that have purchased instruments from me. Ask them about me.

Perhaps you want to trade your organ for a Piano, or Player Piano; or your Plain Piano, for a Player. See me. Let's talk it over.
