Paul I. Johnston, of New York, came home last Friday evening to spend a week with his parents and friends.

Twin boys, on Wednesday evening of last week, were left by Dr. Stork Robinson in the home of Mr. and Mrs. John M. Truax, of Ayr township.

George W. Sipes, of Hustontown, spent a few hours in town Monday. He says the hard rain Saturday evening tore up the road badly on the hill south of Hustontown.

**HIDES.**—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins sheepskins and tallow.

Adam Grissinger, who with other workmen were tenting on the east side of Cove mountain, took sick on Thursday evening of last week, and on Friday, he was brought home. Bowel trouble was the cause of his illness.

No, No, friends. The people you see going to the mountain with their autos filled with jugs do not cross to the distillery. They go to the springs from which we hope soon to receive our supply of pure drinking water through the city limits.

On last Friday morning, Mrs. Henry Barment came to town with her surrey and took Mr. Daniel Fore and daughter Katie out to their hospitable home where they spent the day very pleasantly, and in the evening, brought them home again.

Miss Amy Myers, who for five years has resided in Hagerstown, spent last week with her sisters in Knobsville. She was accompanied to this county by Mrs. Margaret Hammil, who spent the time with her son-in-law and daughter, Mr. and Mrs. R. M. Cline, in McConnellsburg.

We Fulton county people think we are far from markets; but the question of transportation can be solved. A Missouri young farmer who lives thirty miles from a railroad, uses his motorcycle to take live calves to town. He has a side car on which he places a box containing the articles to be delivered, and away he goes speedily to market.

If record-breaking auto travel on the Lincoln Highway is an indication, "See America First" has taken hold upon the traveling public. But, after the war is over, wouldn't you like to own a hotel in torn Europe? Before the war, \$2,000,000 were said to have been spent annually in Europe by Americans who must now content themselves by motoring at home.

Mr. and Mrs. D. R. Strait, and the latter's parents and sister, Mr. and Mrs. John Watkins and Miss Mary Watkins—all of Wilkinsburg, Pa., spent ten days recently in the home of Mr. Strait's mother, Mrs. Mary Strait, in Licking Creek township. It having been the first trip of the Watkins family into real mountains of this state, they were highly pleased with the scenery. Mr. Strait has a good position as traveling salesman for a Pittsburgh wholesale grocery firm.

## NOT ENOUGH CHILDREN

ever receive the proper balance of food to sufficiently nourish both body and brain during the growing period when nature's demands are greater than in mature life. This is shown in so many pale faces, lean bodies, frequent colds, and lack of ambition.

For all such children we say with unmistakable earnestness: They need Scott's Emulsion, and need it now. It possesses in concentrated form the very food elements to enrich their blood. It changes weakness to strength; it makes them sturdy and strong. No alcohol.

## Sabbath School Congresses.

The Sabbath School Religious Temperance Congresses of Fulton County will be continued as follows next week. Monday, August 30th, Greenhill Presbyterian church; Tuesday, Wells Valley M. E. church; Wednesday, Hustontown M. E. church; Thursday, Ft. Littleton, M. E. church; Friday, Knobsville M. E. church; Every Sabbath school and church in the district is requested to send several delegates. The afternoon session is largely for parents and children; the evening session, mainly for men and women. Children present, also, in the evening. At 7 o'clock will be a unique program when all the children present will form in a Temperance pageant on the outside of the church and give songs and drills. All the children are requested to be present in the afternoon to get ready for evening. Then at 7:30 will be the main program inside the church. The Secretaries report excellent results throughout the County. It seems that, at last, the Fulton County church people are beginning to hang-together for their rights and duties as if bound with chains that will not break.

Russell Runyan, of Pittsburgh, visited his parents, Mr. and Mrs. John B. Runyan, this week.

High Grade Plain Pianos, Player Pianos, Organs, Victrolas, Records, and Professional Tuner, McConnellsburg,

Nothing adds more to the refinements of home than good music. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me.

There are families in every part of this county that have purchased instruments from me. Ask them about me.

Perhaps you want to trade your organ for a Piano, or Player Piano; or your Plain Piano, for a Player. See me. Let's talk it over.
