It is said that some of our lads had to draw on their Christmas money to pay for broken glass, porch chairs, &c., Halloween night. We wonder if the "fun" was worth it?

When the crowds went after Bunny last Monday he was not to be found. He either was not there, or, he was so well hidden in the heavy fall growth of vegetation that he could not be seen.

HIDES.—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins sheepskins and tallow.

The postal authorities at Washington recognizing the ability of postmasters to make mistakes in getting letters in the wrong boxes, have fixed a penalty of \$200 on persons taking mail out of an office other than their own, and not returning it immediately. The excuse that it is the postmaster's fault cuts no ice. If you have been getting other people's mail you had better take warning or you may get yourself into trouble.

WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body.

In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, dizziness, dreamlike sleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol.

The Agricultural Demonstration which was held in Normal Chapel on Saturday, October 23rd was well attended by the teachers of the adjoining counties. The County Superintendents of Franklin, Cumberland and Adams counties were present and all gave a very interesting talk on Agriculture. The purpose of this work was to show what can be done, and what is being done, in Agriculture in our schools of to-day.

The School celebrated "Arbor Day" on Friday, October 22nd. A program was prepared by the Senior Class and given in the Chapel. At the conclusion of the program the four classes marched out to the New Model School where each class planted a tree. This is a day which everybody should observe and the school is the best place to start it in the minds of the young people.

Our Football Team was defeated on Saturday, October 30, by the Dickinson Law School eleven. The first half of the game our boys held the visitors scoreless, but in the last half they scored two touchdowns to only one scored by Normal. Our boys are doing fine work.

The annual Hallowe'en social was held in the gymnasium last Saturday evening, October 30th. Everybody was masked for the occasion and all enjoyed an evening which is considered the most pleasant evening of the year.

Seeding Time a Reminder.

Seeding time reminds us that "Whatsoever a man soweth, that shall he also reap."—and if a man sows extravagance he shall reap embarrassment and dependence.

The man who sows economy and saves a part of his earnings will reap comfort and independence in old age. Our system and efforts have enabled hundreds of people of Fulton County to provide for the future.

L. W. FUNK

— DEALER IN —

High Grade Plain Pianos, Player Pianos, Organs, Victrolas, Records, and Professional Tuner, McConnellsburg,

Nothing adds more to the refinements of home than good music. To have good music you must have a good instrument. There are good bad and indifferent instruments, and to the unskilled eye they look much alike. The unprincipled dealer is likely to make you pay a first-class price for a fourth-class instrument. I have lived in this county since my birth, I am a taxpayer and in a position to make good any business transactions. Buy your piano, organ, or victrola from me and if it is not all right you can come back at me.

There are families in every part of this county that have purchased instruments from me. Ask them about me.

Perhaps you want to trade your organ for a Piano, or Player Piano; or your Plain Piano, for a Player. See me. Let's talk it over.
