Next week is County Institute and a little vacation for the pupils.

Harry Deavor met with an accident at his father's sawmill on Wednesday of last week when his left hand came in contact with the circular saw. When the big saw got through with him, he had to tie up three fingers; but that did not stop Harry's work. He worked on up until Saturday noon and then took his gun and went out on the mountain for a few minutes' hunt before starting home and he was out only a few minutes until he had emptied both barrels of his gun and gathered up an 18-pound gobbler. Mr. Rosenberry got one the same day on the same mountain.

We have a very interesting Sunday school in this place; Mrs. H. C. McClain has organized her class, and the Young Men's class expects to organize soon.

The Ladies Aid Society expects to have a box social in this place Saturday night, to which everybody is invited.

Wm. Deavor took his mother to Laidig last week, where she is visiting her half-sister Mrs. F. Price, and other relatives.

SIDELING HILL.

Frank Post was on the sick list last week. Dr. James McKibbin of Buck Valley, attended him.

Sherman Truax, wife, and son of Locust Grove, spent a day recently with Mrs. Jeremiah Golden, of Dott.

Mrs. Samuel Sharpe is a welcome visitor in this community after an absence of many years.

Mrs. J. W. Brady and daughter, of Hale, Mo., spent several days with relatives here.

Oscar Sharpe, of Baltimore, is spending some time with friends at Dott.

Mrs. George Wilson, of Dott spent last Wednesday with Mrs. Job Hill.

Mrs. Emaline Mellott continues poorly.

Mrs. Wm. Giffin who has been on the sick list is slowly improving.

Samuel Carnell and wife, of Dott, and Willard Palmer and family, of Pigeon Cove, were Sunday visitors at the home of Mrs. Nora Asters and sons.

WELLS TANNERY.

The Union Meetings held last week by Rev. Dalling, pastor of the Presbyterian church, and Rev. Weise of the M. E. church, were well attended and full of interest to both Christian and sinner. Rev. Weise went to his home in Three Springs last Friday, and although he made no complaint concerning his health while here, he was stricken with next day and taken to the Blair Memorial Hospital at Huntingdon for treatment. His many friends hope for speedy recovery.

Congressman Focht Quoted.

Recently the New York World asked all Congressmen for their views with respect to the attitude this country should assume in the matter of the armament program reputed to come from Washington. Our own Congressman Benjamin K. Focht, stands for the defense of our flag and country's honor to the last dollar and last man, but he believes there are other ways than ways of war which kills and disables and grinds the masses to dust and poverty. He has often stated in speeches throughout his District that for our country's safety and freedom of the seas it should be war of defense to the last ditch, but war should not be sought, but instead of wars of waste every youth should be educated and a pension granted to every aged American, and when Congress convenes he will introduce a bill providing for such pensions. Here is Mr. Focht's brief yet pointed and pertinent reply to the World which was printed in that paper Sunday, November 14th:

HOPES FOR DISARMAMENT

"While I am prepared to support a measure designed to amply protect the national integrity I would much rather see The World and other great newspapers discuss the question of how far the United States might be able to use its influence toward the world's disarmament in a peace conference that must follow the war than to take for granted that there is only one way to act, and that is prepare for more war. To my mind with Europe exhausted, this is the chance of centuries for this land of destiny to intervene for the world's peace."

The Philadelphia Record.

The circulation of The Philadelphia Sunday Record is steadily growing, and deservedly so. This condition has been brought about by the fact that the Record is printing a most complete Sunday newspaper. Always noted for the value of its news columns, which include more worthwhile news articles than any other Philadelphia paper, The Sunday Record has greatly enlarged its special features.

Its attractive colored Fiction Magazine, containing short and continued stories by the best authors, is well worth the price of the paper alone.

Its colored Comic Section is rapidly coming to be recognized as the most interesting and amusing, yet without the objectionable features of many colored comics. Its Comic Section may safely be permitted to enter any home.

The Record's 'Black & White' Magazine Section is a newspaper of specialties in itself. It contains news of interest to every member of the family son daughter, father, and mother. The Pattern page included in this magazine section is making a big reputation for its variety of ideas and the attractiveness of its designs. There is a page for boys and girls, of stories and puzzles; another of jokes and the inimitable "Willie Green," several pages for mother and domestic science and fashions; the school page, conducted by Grace F. Pennypacker; as well as special pages of intense interest to father.

ANOTHER LINK WITH KNOBVILLE.

Knobsville Citizens Add Their Praise.

Another link with our neighboring town of Knobsville is provided in the following grateful and generous statement of a well known resident there Mr. J. C. Fore, who says: "A severe cold settled in the small of my back. My kidneys troubled me badly at times and the secretions were painful in passage. I was lame and stiff from rheumatic twinges and my limbs and wrists became swollen. I got no relief from the doctor's treatments. Finally I used Doan's Kidney Pills and after one box, I felt relief. Whenever I take cold now and am troubled, Doan's Kidney Pills always help me."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fore had. Foster Milburn Co. Props., Buffalo, N. Y.

# Milk and Kerosene

YOU discriminate in the choice of your milk, yet to the uninitiated all milks look and taste about the same. But you know differently. You realize that some cows yield better, creamier and more healthful milk than others and that methods of caring for and keeping milk differ.

You know about milk—that's why you're particular; but are you equally well acquainted with kerosene? If you are, your choice is certain to be

## ATLANTIC Rayolight OIL

Why? Because it's refined and re-refined by oil experts, by men who know how to use methods that get every little bit of good out of the finest crude petroleum Mother Earth yields.

Atlantic Rayolight Oil is made right—it's a pure kerosene. It burns without smoke or smell, it doesn't char nor spoil wicks, but it does yield an intense heat and a brilliant light, and it burns slowly and economically.

Ask your grocer for it by name, because now, for the first time, you can buy kerosene whose makers you know and upon whose goodness you can implicitly rely. What's more, its price is identical with ordinary kerosene.

### Get a PERFECTION Smokeless Oil Heater

and say good-bye to that breeder of colds—a bleak, draughty hall.

These heaters are invaluable—their uses are manifold. They keep every part of the home comfy—yes, especially that spot that for half the year nothing seems to make habitable.

The initial cost of a Perfection Smokeless Heater is small and, if Atlantic Rayolight Oil is used, its upkeep is little. Its appearance is handsome and you can get one at almost any dealer's.

Atlantic Rayolight Oil is wonderfully useful for purposes other than lighting or heating—a few drops in the water when washing windows or mirrors will give them a beautiful polish.

How do you use it? Maybe you know a way that'll get you something worth while. You never can tell.
