Last spring, a number of our friends took our advice and made wren boxes by making holes in them just the size of a silver quarter so that sparrows could not enter. The result was, when the little songsters were hunting homes they found the boxes and paid rent all last summer with the most cheerful music. Make the boxes now while you have time.

Mr. Miller is located in the southeastern part of Kansas, and is now in very comfortable circumstances. Mr. Miller like many others, went to Kansas when good land could be had for the asking, and he possessed the quality of sticktoitiveness, and that is all there is about it.

WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body. In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, tiredness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown. To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol. Scott & Bowne, Bloomfield, N. J.

Survivor of Torpedoed Vessel to Lecture Here

The Sinking of a trans-Atlantic vessel by the instruments of war graphically described by one of the survivors of the ill-fated Arabic is the big attraction which the Parent-Teacher's Association has provided for the edification of Fulton county people.

Dr. Geo. A. McAlister
of Chambersburg

a passenger on the Arabic when her fate was sealed by a deadly torpedo from a German Submarine, and who miraculously escaped a watery grave, has been secured to deliver his lecture on the thrilling experiences amid scenes of dire distress and destruction of life at the hands of a warring nation. Dr. McAlister is a lecturer of considerable note, and the fact that this lecture was delivered to large and appreciative audiences on three occasions in his home town is sufficient endorsement for both the man and the subject.
