DOUBLY PROVEN.

McConnellsburg Readers Can No Longer Doubt the Evidence.

This McConnellsburg citizen testified long ago. Told of quick relief-of un-

doubted benefit. The facts are not confirmed. Such testimony is complete-

the evidence conclusive. It forms convincing proof of

merit. Miss Susan Peightel, Main St. McConnellsburg, says: "I was in poor health for some time and I believe that weak kidneys caused the trouble. I suffered greatly from severe pains in my back which often darted into my head I often became dizzy and had chills. 1 was losing strength day ly and felt poorly in every way. Doan's Kidney Pills, procured at Trout's Drug Store, brought me quick relief." (Statement given November 5th, 1907)

Over Six Years Later, Miss Peightei said: "Whenever I need a backache or kidney medicine, l use Doan's Kidney Pills. They wagon, harness, and many other relieve me."

Rev. Ahimaaz Mellott is still very low, with not much hope of recovery.

Mrs. Homer L. Sipes is still uffering from the after effects of grippe, but we gladly report that she seems to be better. The children of five or six families in the lower end of Licking Creek township have measles. But these families are taking the precaution to prevent the spread of the disease to the schools. We are glad to note that J. Nel son Daniels, Needmore route No. 1, is again able to be about after his long illness. We saw him last Saturday as he drove along Lancoin Highway to and from the mill, and we fear he received a good drenching from the rain before he reached home.

In Oklahoma.

John W. Fields, a former Mc-Connellsburg boy, is editor of the big paper. The Oklahoma Farmer. That paper thinks that more farmers of that state should raise chickens. It urges its readers to call on neighbors who do not raise chickens and "Coax them into it, shame them into it, shove them into it." That, and other articles in the Farmer, indicate that our friend John believes in going 'right at 'em'' when he wants to pull them out of the old ruts.

Are you paying to sit in the dark?

PAYING to ruin your eyes, paying to smell burn-ing wick and the odor of poor kerosene? Are you doing these things?

Unless your home is equipped with Rayo Lamps-you probably are. And what's more, you are paying the identical price that would buy you the flood of brilliant, eye-soothing, steady light that beams from a **Rayo Lamp** filled with slow-burning

Rayo Lamps are beautiful—an ornament to any room. And they burn brightly, without flicker or smell. Your dealer can show you a special design for any room, ranging in price from \$1.50 up. No matter what sort of light you've got, the addition of a few Rayo Lamps will make your home brighter and the folks happier. But Rayo Lamps are at their best when burning Atlantic Rayolight Oil. It is the one kerosene that burns without smoke or smell—that is always the same. It gives the brightest light and the greatest heat for the least money.

heat for the least money.

The use of Atlantic Rayolight Oil doesn't stop with burning and heating; thousands of housewives have written us that it's the very finest thing to brighten faded carpets, keeps the moths away from closets, shelves and drawers, cuts grease better than anything else, and that for washing windows it's without equal.

Be certain to ask for Atlantic Rayolight Oil by name-It costs no more than the unknown, unreliable kerosene.
