Runyan the Eye Man

at McConnellsburg, Friday and Saturday, February 25th and 26th

Mrs. A. A. Haiston, of Fanettsburg, came to McConnellsburg last Friday to be the guest of her brother, ex-Postmaster S. B. Woollet, for a few weeks.

Mrs. James K. Linn, of Harrisburg, is spending this week in the home of Mr. and Mrs. Geo. A. Harris, West Market Street. Mrs. Linn and Mrs. Harris are sisters.

Mr. Luther Bishop, of Webster Mills, was in town early Tuesday morning. It was one of Luther's teeth that coaxed him out of bed, and encouraged him to try the new dentist.

Both our local banks will be closed next Tuesday in observance of the National Holiday. Persons having business with either of the banks, will govern themselves accordingly.

HIDES.—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins sheepskins and tallow.

Bright and early last Monday morning, when the mercury was kissing zero, the County Commissioners started out to hold appeals in the several townships for the adjustment of taxes. No room for "hot" arguments that morning.

Newville, a town of a little more than double the size of McConnellsburg, and situated in a farming district of Cumberland county, has purchased an auto fire engine at a cost of \$5,800. How much, has McConnellsburg invested in fire protection?

While D. F. Trout's 4-horse team was standing on north Second street last Friday evening, the lead horse was thrown in some manner and fell under its mate. Passers-by assisted the driver to get the horse on its feet without injury to the animal.

The Ladies Mite Society of the Reformed church will hold a Chicken Supper in the room adjoining Charlie Scott's store next Saturday evening beginning at 5 o'clock. The menu will consist of stewed chicken with all the trimmings, flannel cakes and gravy, and then ice cream, cake and coffee—all for the trifling sum of 25 cents.

The many friends of Mr. O. R. Cline, a native of Burnt Cabins, and a former teacher in this county, will read his letter from Long Beach, Calif., with genuine pleasure this week. Mr. Cline holds a responsible and lucrative position as Inspector in the Municipal Laboratory of Gas and Electricity in that city. While Mr. Cline has had no reason to regret his going to California from a temporal point of view, it is readily seen from his letter, that he, like all the other Fulton County boys that have gone out into distant states—has a warm spot in his heart for the "old home" and the associates of his boyhood. The J. K. Stevens, to whom he refers, is Jamison K. Stevens, formerly a resident of Taylor township.

RHEUMATISM ARRESTED

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system. To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.

PREPAREDNESS.

The whole United States, from the President down, is interested in the all important question of PREPAREDNESS and it is the most talked of subject of the day.

The most essential factor in the life of everyone is to be prepared; but—ARE YOU? If not, lose no time: We can help you. There will come a time when a bank account, if never so small, will save you from embarrassment.

WE ARE PREPARED—not only to HELP you save—but to PROTECT your savings.

When the FULTON COUNTY BANK was incorporated, we prepared with a capital of \$50,000.00 and each year the management has added to a Surplus Fund which is now \$27,000.00.

When we secured a new Home for the Bank, we prepared for the safety of our funds by securing a fire-proof and burglar-proof vault. We have also prepared by covering every dollar in our bank by burglar and hold-up insurance. We have prepared, also, every convenience to serve you well.

SIERER'S

Furniture Store

Chambersburg, Pa.

We want to interest our McConnellsburg Patrons in our

ANNUAL FEBRUARY FURNITURE SALE

During this month we offer unusual inducements in every department of our store.

This sale occurs but once in every twelve months; it is not an accidental happening, but a well planned sale that we conduct to weed out our discontinued patterns, odd pieces and small assortments.

We have been told repeatedly that Furniture can be bought here for less money than elsewhere. Why we can sell cheaper, is no secret;

FOR, 63 YEARS,

We have been conducting a Furniture Store at the same location, have studied the business, and have built up a good trade by selling dependable furniture.

We own the building, which, with our location and expense-saving, makes our cost of doing business, less than stores more centrally located—hence, our ability to sell cheaper.

On Tuesday the February Sale price tag went on all reduced pieces, and the Sale will continue during the entire month.
