ANOTHER LINK WITH KNOBSVILLE.

Knobsville Citizens Add Their Praise.

Another link with our neighboring town of Knobsville is provided in the following grateful and generous statement of a well known resident there.

Mr. J. C. Fore, who says: "A severe cold settled in the small of my back. My kidneys troubled me badly at times and the secretions were painful in passage. I was lame and stiff from rheumatic twinges and my limbs and wrists became swollen. I got no relief from the doctor's treatments. Finally I used Doan's Kidney Pills and after one box I felt relief. Whenever I take cold now and am troubled Doan's Kidney Pills always help me."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fore had. Foster-Milburn Co., Props., Buffalo, N. Y.

Resolutions of Respect.

WHEREAS, It has pleased our Heavenly Father to call from our midst, during the past few weeks, three of our co-workers, members of Pleasant Grove Church, namely: Rev. A. G. B. Powers, sister Sarah Garland and brother David A. Garland, and we sorrowfully realize a vacancy in our ranks. Therefore be it Resolved,

1. That we, the surviving members bow submissively to His will knowing that His will is best, and that we rejoice in the knowledge of a loving God, who gives rest to the weary and justly rewards His own.

2. That we tenderly remember and try to practice in our lives the divine message from God's Holy Writ, delivered us by Rev. Powers, who served us faithfully as pastor during eight years, and that we shall not forget his willing and efficient help in all lines of work.

3. That we shall not forget the labors of our departed brother, D. A. Garland as Sunday School Superintendent and that all our co-laborers for Him be fondly cherished in Memory's sacred Hall.

4. That we lovingly remember our sister, Sarah Garland, now departed, who gladly did what she could for Him.

5. That we, surviving through His mercy, realizing the brevity of life, do the more earnestly and zealously labor for our dear Master, never growing weary or falling off by the way until He shall have called us all one by one to Him, that we may meet with Him, a reunited band, in the Shores of Eternity, where we may forever praise Him, whom we loved to serve here.

6. That we extend our heartfelt sympathy to the bereaved families of the deceased ones, commending them to Jesus, the great Comforter and Consoler.

7. That a copy of these resolutions be sent to the county papers and that one be given to each of the bereft families.

Passed on February 6 1916, by Pleasant Grove Church.

Litton's Garage.

The Potomac Garage, recently operated by Messrs. R. A. Carnochan and John L. Leighty, in Hancock has again undergone a change in the management, Mr. Raymond Litton having purchased Mr. Leighty's holdings while the latter has taken over Mr. Carnochan's interests. Mr. Carnochan steps out and Mr. Litton and Mr. Leighty become equal partners. Henceforth the business will be conducted under the name of Litton's Garage.

HAVE YOU BEEN SICK?

Then you realize the utter weakness that robs ambition, destroys appetite, and makes work a burden. To restore that strength and stamina that is so essential, nothing has ever equaled or compared with Scott's Emulsion, because its strength-sustaining nourishment invigorates the blood to distribute energy throughout the body while its tonic value sharpens the appetite and restores health in a natural, permanent way. SALVIA

A State Forester is viewing and charting all the forest lands in this county. R. R. Hann is conveying him through the County with horse and buggy, as the rough roads put the Forester's automobile out of commission.

William H. Deshong and sons have moved their sawmill outfit onto timber lands belonging to the estate of William Daniels deceased, to saw lumber for Mason and Oliver Daniels.

As Baltzer F. Mellott is still prostrated and helpless with rheumatism, twenty-three of his neighbors met last Saturday afternoon, and while some cut down trees in the woods, two men with mule teams, hauled the trees to the woodpile, and others with crosscut saws and axes transformed the trees into stove wood enough to last Mr. Mellott until the "good old summer time" comes again. Good neighbors have not overlooked the furnishing of other necessities in the home of Mr. Mellott.

Carpenter Homer L. Sipes is putting the finishing touches to Reuben Mellott's new house, which is said to be one of the finest in the county. Mr. Sipes still talks that each house he finishes will be the last one, but along comes some neighbor wanting Mr. Sipes to erect a building for him; the neighbor urges, and finally Mr. Sipes says, "O well, I guess I'll have to try and do it." So it goes.

Mr. and Mrs. E. R. Hendershot and their baby boy went last Thursday to see his seriously ill father Deuton Hendershot in Pigeon Cove, and to visit Mrs. Hendershot's mother, Mrs. C. L. Funk, near Needmore. They returned home Saturday evening.

Mr. H. E. Shotts and wife who paid quite a visit to Mrs. Shott's mother, Mrs. I. W. Schooley, left on the 22nd inst, for their new home at Tyersburg, Pa. Mother Schooley and son Charlie accompanied them to Everett, where the former is now, visiting her son George and family.

The Stork left a wee little son in the home of Mr. and Mrs. Emory Sipes recently. While negotiations were partly made some time ago with Edward and Robert Kline for 300 acres of farm lands and the building on the McDonald tract, they have not been closed on account of no bidders for the remainder of the tract—426 acres.

We are informed that Orsian Mellott has changed his plans, and is now building a blacksmith shop at James H. Mellott's and expects to locate there.

Rev. Ahimaa Mellott remains in much the same condition as reported last week. He is very weak.

Cadiz Schooley has leased the farm of D. D. Deshong, of Pittsburg, and he and family will remove there in the near future from the E. H. Fohner place.

A well developed blizzard from the West dropped down upon us last Saturday, and gave us a reminder of old fashioned winter storms. The wind blew fiercely and the temperature for three days 4 to 9 above, and the barometer read 28.7. What's the matter with the Woolly-worm prognostications!

If it does, don't blame the story, don't condemn the type or the printing, don't imagine you've weak eyes, for the fault is probably with your lamp. And it's a fault that is easily remedied—all that's needed is a Rayo Lamp. By its clear, steady, white light you can read on and on, get the full pleasure out of reading and without a trace of eye strain. But to get the most and best light from a Rayo Lamp, use ATLANTIC Rayolight OIL. Combined they give the finest light money can buy, an economical light, too, ideal for reading, sewing or playing. Your dealer can show you a Rayo Lamp specially designed for parlor, sitting room or kitchen, from \$1.50 up. And each of these rooms needs one—Rayo Lamps are easily cleaned and last a lifetime. As for Atlantic Rayolight Oil, it is the one kerosene that burns in lamp, stove or heater without smoke or smell—gives a great volume of clear, white light, and an intense yet cheap heat. And, do you know, thousands of clever housewives have told us they just can't get along without Atlantic Rayolight Oil for polishing furniture, washing windows, keeping lice off chickens, cleaning painted woodwork, etc., but mind you, for these purposes ordinary kerosene won't do them—they must have Atlantic Rayolight Oil. Ask for it by name—costs no more than the unknown kind. The dealer who displays this sign can always supply you. It's wise to get it by the barrel. ATLANTIC REFINING COMPANY
