SPECIAL

I have just bought some Security Calf Food which is guaranteed to take the place of whole fresh cow's milk for calves and pigs. You can veal a calf, if fed properly with this food, in four to five weeks old. This food is something entirely new for this community and I positively believe it will pay any one who is feeding calves to try it. Money refunded if it does not give satisfaction. Thanking the people for all the past favors and hoping for a continuation of your patronage, I beg to remain

Yours truly,
