COMFORTING WORDS.

Many a McConnellsburg Household Will Find Them So.

To have the pains and aches of a bad back removed—to be entirely free from annoying, dangerous urinary disorders, is enough to make any kidney sufferer grateful. The following advice of one who has suffered will prove comforting words to hundreds of McConnellsburg readers.

F. M. Taylor, civil engineer, Water St., McConnellsburg, says "I suffered from severe pains in my back and loins. I had weak kidneys, the action being irregular. Doan's Kidney Pills gave me great relief. I always take them with me when I go out of town, because if I catch cold, I get a slight attack of the trouble. When this occurs, I can always depend on Doan's Kidney Pills for relief."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the name that Mr. Taylor had. Foster-Milburn Co., Props., Buffalo, N. Y.

Members of the Monroe County Poultry Association are planning for an egg exchange which will provide a center for pooling of eggs to be shipped to one general distributing and selling agency.

Growers of berries and small fruits are anticipating a good crop this season.

Unless frosts damage the blis-

soms there is every prospect of a fair peach crop throughout the State during the summer.

Farmers in North Annville Township, Lebanon County, are selling off their mixed breeds of cattle and buying only Holsteins.

Ten farmers in Wilmington Township, Lawrence County, are planning the erection of brick silos during the summer.

NEEDMORE.

Mrs. Maggie Bard and A. P. Garland each burned a limekiln recently. Rev. Croft preached a very forceful sermon at Needmore last Sunday. Chester Plesinger and family, and Ralph Truax, were guests in the home of Mrs. D. A. Garland last Sunday. Edward McCray has begun the erection of his new house in our city. Levi H. Gariand made a business trip to Hancock one day last week. The Needmore Athletic Club has reorganized and will soon be in shape for the season's playing. Bennett Mellott, one of our hustling farmers, has quit feeding his automobile gas, and is now busy feeding a limekiln wood. L. H. Garlands fine driver is recovering from what might have been a serious wound from a kick. Albert Mellott has moved to his farm along the mountain where he can rest in the Scrub Oaks. Bert Mellott is about through sawing for B. N. Palmer.

House Burned.

On Monday afternoon of last week the dwelling house with nearly all its contents, on Russell Souders' farm near Dublin Mills, was destroyed by fire, which originated, it is believed, from an overheated flue. We understand the loss is partly covered by insurance.

Mrs. L. H. Wible and son Hollis, of Harrisburg, have been visiting relatives and friends in this county during the past week.

Are you paying to sit in the dark?

PAYING to ruin your eyes, paying to smell burning wick and the odor of poor kerosene? Are you doing these things?

Unless your home is equipped with **Rayo Lamps**—you probably are. And what's more, you are paying the identical price that would buy you the flood of brilliant, eye-soothing, steady light that beams from a **Rayo Lamp** filled with slow-burning

ATLANTIC Rayolight OIL

Rayo Lamps are beautiful—an ornament to any room. And they burn brightly, without flicker or smell. Your dealer can show you a special design for any room, ranging in price from \$1.50 up. No matter what sort of light you've got, the addition of a few Rayo Lamps will make your home brighter and the folks happier.

But **Rayo Lamps** are at their best when burning **Atlantic Rayolight Oil**. It is the one kerosene that burns without smoke or smell—that is always the same. It gives the brightest light and the greatest heat for the least money.

The use of **Atlantic Rayolight Oil** doesn't stop with burning and heating; thousands of housewives have written us that it's the very finest thing to brighten faded carpets, keeps the moths away from closets, shelves and drawers, cuts grease better than anything else, and that for washing windows it's without equal.

Be certain to ask for **Atlantic Rayolight Oil** by name—It costs no more than the unknown, unreliable kerosene.

The dealer who displays the sign can always supply you

Facts

GET the facts on the operating cost before you buy any automobile. Find out the truth before—not after. And don't be satisfied with hearsay or a salesman's claims. The price of gasoline is high; so is oil and there is sure to be an increase in the cost of all tires.

So, what you want is the car that will give you most miles per gallon of gasoline, per gallon of oil and per set of tires.

Here are the facts proved by the Maxwell stock touring car that recently set the World's Motor Non-Stop Record:

Maxwell World's Non-Stop Record Facts	
Miles without a motor stop.....	22,023
Average miles per day (44 days).....	500.5
Miles per gallon of gasoline.....	21.88
Miles per gallon of oil.....	400
Average miles per tire.....	9,871

Remember that this was a Non-Stop Endurance Record—in order to prove that the Maxwell car was exceedingly sturdy, reliable and trouble proof.

No attempt was made or could be made to save gasoline, oil or tires. So these figures merely indicate what would be possible under ordinary driving conditions.

Right now we have a Maxwell we can deliver to you, and if you don't want to pay cash, make a deposit and pay the balance as you use the car. **But don't put it off.** We know the Maxwell factory can't get half enough freight cars to carry their doubled output. Later on we may not be able to supply you. But we can NOW. Better phone us for a demonstration today.
