The arid mesa of Mexico is not broken up with many watering places such as is depicted in the photograph, so much care is exercised in selecting stopping places for the night.

## ST. PAUL SCHOOLBOYS ARE BIRD LOVERS

John Burroughs opened the exhibition by pressing an electric button at his home at Westpark, N. Y. Over 5,000 boys took part in this unique exhibition, and the hundreds of different designs of birdhouses excited the interest of thousands of visitors. The exhibition is in line with the movement to make St. Paul a city of birds and flowers.

## LEADERS OF THE SUFFRAGE PARADE

When the National American Woman Suffrage association stages its big parade in Chicago on June 7, the opening day of the Republican convention, the marchers will be led by these two elephants carrying the "suffrage plank." The combination will symbolize the demand of the women for a suffrage plank in the Republican platform. The elephants will be driven by Miss Fortia Willis of New York, who is here shown between them.

**Needed Repairing.**  
Tommy, aged three, had fallen and hurt his knee, and as he sat rubbing the injured part he suddenly looked up and said: "Mamma, did God make me?" "Yes, dear," was the reply. "Well, then," continued the youthful philosopher, "if he has any pieces left, I wish he'd mend my knee."

## Precious Language.

Language is the amber in which a thousand precious thoughts have been safely embedded and preserved. It has arrested ten thousand lightning flashes of genius, which, unless thus fixed and arrested, might have been as bright, but would have also been as quickly passing and perishing as the lightning. Words convey the mental treasures of one period to the generations that follow; and laden with this, their precious freight, they sail safely across gulfs of time in which empires have suffered shipwreck, and the languages of common life have sunk into oblivion.—Trench.

## DATES GIVEN FOR N. G. P. CAMPS

First, Third and Fourth Brigades Go To Mount Gretna July 7 To 15.

Harrisburg—

Tentative dates and places for the encampments of the various organizations of the National Guard this summer were announced in a circular of information issued from the adjutant general's department. The arrangements are subject to changes according to circumstances. The information given out is as follows:

Owing to inefficiency of funds there will be no camp of instruction for officers of infantry held during this year. The First, Third and Fourth Brigades will encamp at Mount Gretna July 7 to 15.

The Second Brigade will encamp at a place to be selected by the brigade commander August 5 to 12.

The First Cavalry will encamp according to action by the War Department.

Batteries A, C and D will encamp at Tobyhanna July 25 to August 4, and Batteries B, E and F at the same place, August 6 to 15.

Field hospitals and ambulance companies at Tobyhanna, August 16 to 20. Engineer companies at Delvoir, Va., July 5 to 16.

Signal troops with Second Brigade. The rifle camp of instruction and State matches will be held at Mount Gretna August 16 to 25.

## Time Extension in Taxation Report.

Auditor General Powell was informed in an opinion given by Deputy Attorney General Hargett, that he had no authority to grant more than one extension of the time for filing corporation reports for State taxation.

The decision was in case of a northwestern company, which had been given an extension of thirty days. The penalty for failure to file after the extension had been granted will be enforced.

Opinions were also given that the premium on the bond for the superintendent of construction of the new buildings at Spring City Hospital must be paid from the funds of the Department of Public Grounds and Buildings and that prisoners sentenced prior to June 20, 1909, do not come under the parole Act of May 19, 1909.

## Order 27 Arrests in Milk Crusade.

Twenty-seven arrests have been ordered by Dairy and Food Commissioner James Foust as the first result of the extensive sampling of milk and cream in eastern and central Pennsylvania counties. The arrests are for sale of milk below the standard in fat. More arrests are likely.

The campaign against "bleached flour" was also started, two arrests being ordered in northwestern counties. Arrests of representatives of a Cleveland firm for sale of linsed oil containing about fifty per cent. of mineral oil were also decided upon.

Scores of prosecutions for sale of adulterated foods are likely because of activity of agents in sampling.

## Guardmen Get Compensation If Hurt.

All of the National Guardsmen called into State service by Governor Brumbaugh because of the disturbances in Allegheny county are under the workmen's compensation Act, as are the State Police, and should anyone be killed or injured while on such duty the compensation would be the same as though hurt in a manufacturing establishment where the militiamen happened to be employed.

The State's liability is cared for in an appropriation of \$15,000 made by the last Legislature. The Guardsmen come under the compensation law automatically as soon as called into service.

## Sue To Test Escheat Act.

The first steps to test the constitutionality of the escheat Act of 1915 were taken when counsel for the Columbia National Bank and Union Trust Company, of Pittsburgh, brought an action in equity to restrain the Auditor general from enforcing the statute. The Attorney General will defend the act, and it is probable that other financial concerns will intervene in the proceedings.

It was estimated when the Legislature passed the law that it would bring thousands of dollars of many unclaimed deposits into the State Treasury.

## Charters Granted.

Governor Brumbaugh approved these charters: Guaranty Realty Co., Philadelphia; capital, \$5,000; treasurer, Earl T. Kramer.

The Graves Timing Device Co., Philadelphia; capital, \$35,000; treasurer, C. L. Bundy.
