DELIVERY TO AMARANTH AND NEEDMORE, PA.

The undersigned, realizing the inconvenience, on account of the long haul, for the people north of Amaranth and Needmore to haul their ties to Hancock, Md., will accept ties delivered either to Amaranth, Pa., or Needmore, Pa.

Each pile should be tagged with owner's name and address."

Beginning April 1, 1916, the Western Maryland Railway Company's Inspector will take up all ties properly piled, both at Amaranth and at Needmore, on the 1st and 15th of each month thereafter until otherwise advised.

Checks will be issued and passed to the tie producer the following day after ties have been taken up by the Western Maryland Railway Company's Tie Inspector at the following prices:

England, Germany and France Agree

on one thing, if on no other. They all prohibit the sale of alum baking powders.

There must be a good reason for this. It is because alum was found to be unhealthful.

Royal Baking Powder is made of cream of tartar, derived from grapes, a natural food product, and contains no alum nor other questionable ingredients.
