LEONARD BIVENS, Treasurers Office, County Treasurer. May 1, 1916.

It seems that people are slow about doing something for the up lifting of our church. Do not think that you would not be welcome. The school would like to see every member attend. Do not sit in your hammock, and think, "When I get old and feeble I will go to church." If you cannot come at the time set just let the leaders know and they will gladly wait until you come; but if you have a desire to attend church they will not have to wait on you. Now, please come Saturday night instead of loafing down at the store. If the church will not hold you all, it will be built larger; but just come and see if we cannot have a good big congregation here.

100,000 TIES WANTED

FOR DELIVERY TO AMARANTH AND NEEDMORE, PA.

The undersigned, realizing the inconvenience, on account of the long haul, for the people north of Amaranth and Needmore to haul their ties to Hancock, Md., will accept ties delivered either to Amaranth, Pa., or Needmore, Pa.

Arrangements have been made for ties to be piled along the County road both at Amaranth and at Needmore, and tie producers may begin to haul their ties to either of these points at once. Sign boards have been erected describing manner in which ties should be piled and tagged, namely: "All ties must be piled in alternate layers of two and seven, the bottom layer to consist of two ties. Each pile should be tagged with owner's name and address."

Beginning April 1, 1916, the Western Maryland Railway Company's Inspector will take up all ties properly piled, both at Amaranth and at Needmore, on the 1st and 15th of each month thereafter until otherwise advised.

Checks will be issued and passed to the tie producer the following day after ties have been taken up by the Western Maryland Railway Company's Tie Inspector at the following prices:

- No. 1 CLASS "A" CROSS TIES 50c EACH
- No. 2 CLASS "A" CROSS TIES 35c EACH
- No. 3 CLASS "A" CROSS TIES 15c EACH

Specifications and further information may be had by addressing the undersigned.

If you are going to build a house or a barn, or do any repairing we are in shape to save you some money, as we bought our hardware early, and always try and give our customers the benefit.

Look over this list of prices, compare them with catalogue houses and we think that you will find that we can save you money. It is impossible to get space to price you every thing, but watch this space for bargains. Thanking you for the nicest year we have ever had. The prices we quote here are not baits but our regular prices. Trusting that you will look over this, and if you find us right on prices, give us some of your business; if not, buy where you can do the best.

Respectfully,
HULL & BENDER,
