ALL WRONG.

The Mistake is Made by Many McConnellsburg Citizens.

Look for the cause of backache. To be cured you must know the cause.

If it's weak kidneys you must set the kidneys working right.

A McConnellsburg resident tells you how.

Mrs. Lucinda Clevenger, Water St., McConnellsburg, says: "My back ached badly and I couldn't do my housework. I had dizzy spells and chills and was annoyed by the kidney secretions. Often swelling appeared under my eyes and I was very nervous at night. I was troubled by rheumatic twinges and Doan's Kidney Pills removed all signs of the trouble. I procured them at Trout's Drug Store."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Clevenger had. Foster-McLure Co., Props., Buffalo, N. Y.

Jiggers, "Get yours!"

Which costs most—painting or waiting?

After your house needs painting, every year you wait it will require more paint and more labor to put it in good condition. And every year you wait, your house is worth less. A little paint-money is good paint-insurance.

LEAD AND ZINC PAINT
FEWER GALLONS - WEARS LONGER

Just as soon as your house needs painting, come in and let us show you how little it will cost you to use DEVOE. We say "DEVOE" because it's absolutely pure. That's why DEVOE takes fewer gallons, wears longer—and costs less by the job or by the year. And that's why we guarantee Devoe without reserve.

Housework
NEED NOT
be hard work

These days there is no need of a woman ruining her health and her temper standing over a range in a kitchen that's little short of an inferno.

No, indeed, when for a very few dollars, her dealer can sell her a New Perfection Oil Cook Stove. For with a Perfection cooking becomes interesting—a pleasure. All the monotony, the drudgery and the hardship disappear.

Where there's a Perfection there's no tiresome waiting for the oven to get right for cake-baking. For just before the batter is mixed, light the burner that heats the oven; in almost a jiffy the oven will be ready—ready to bake a cake that will do anyone proud.

In place of paper, wood and coal, a

Perfection burns the cheapest of fuels—kerosene, and very little of that.

Because of a Perfection with its fireless cooker, its separate oven, its improved long-lasting wick, your work will be lighter, your cooking better.

Be careful of your kerosene. Get Atlantic Rayolight Oil. For there is as much difference between kerosenes as there is between milks. Just as one milk is rich in cream and another is watery, so some kerosenes will sputter, spurt and smoke, but Rayolight burns down to the last drop without smoke or smell, but with an intense and a cheap heat.

So ask for Atlantic Rayolight Oil by name. At all dealers who display this sign:

Made \$3,000 Extra.

A few days ago, a Cumberland county farmer told us that he made at least \$3,000 by reading. A few years ago, when he was starting out in life on his own responsibility, he attended a sale where some bundles of agricultural papers were knocked down to him for three cents. He took them home. He began reading them. Very soon he saw that he was away behind in what the world knew about farming. And these old papers were the first of the kind he had ever seen—he did not know before that farmers had papers published for them. He immediately subscribed for that paper and for others like it. Very soon he found that farming consisted of something else than the use of "elbow grease" alone. Last week this gentleman acknowledged to the Editor that his comfortable bank account was due to that 3-cent purchase of a bundle of old papers.
