ANOTHER MCCONNELLSBURG CASE.

It Proves That There's A Way Out for Many Suffering McConnellsburg.

Just another report of a case in McConnellsburg. Another typical case. Kidney ailments relieved in McConnellsburg with Doan's Kidney Pills.

Riley Peck, shoemaker, Pleasant St., McConnellsburg, says: "I was troubled with my kidneys and soreness in my back. I was dizzy at times and it affected my eyes. I had to get up often at night on account of the kidney secretions. I was tired out in the morning. The doctor gave me only a little relief. Two boxes of Doan's Kidney Pills, procured at Trout's Drug Store, gave me great relief at once."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Peck had. Foster-Milburn Co., Props., Buffalo, N. Y.

Quite a crowd of people from Taylor, and some from Licking Creek and Dublin were at Fairview on Sunday evening. The program "Festival of the Flowers" was well rendered to the delight of those present.

In addition to the good things always found in Knobsville lunch baskets, the guests brought many beautiful presents. The day was spent in a pleasant manner as only those with kindness in their hearts know how to enjoy. ENJOY your MEALS

Can't, if you're too done up to eat. And you're bound to tire, after a morning in the kitchen, over a coal range. For it's wearing, beyond a woman's strength, to carry wood and haul coal from bin to kitchen.

And you can't control the heat of a coal range. Most times you've far more heat than you need—a waste of fuel—that turns the kitchen into a nerve-racking furnace.

A New Perfection Oil Cook Stove offers you a way to end kitchen drudgery and at the same time to economize, for the Perfection burns kerosene, the cheapest fuel. Think—no coal, no wood, no shaking, no ashes, no fear of the fire going cold. Instead, heat when you want it and exactly as much as you want. A New Perfection is inexpensive. Ask

your dealer to show you its fireless cooker, its separate oven, its combustion chimney, its long-lasting wick.

Be sure, though, you use Atlantic Raylight Oil in your Perfection. That's essential. For it is just as necessary to discriminate in buying kerosene as it is in selecting flour. It takes use to prove either. You don't have to buy a flour on trust; neither need you take a chance on kerosene.

For you can ask for Raylight with the positive assurance that every gallon will be like every other gallon. A kerosene that will burn without smoke or smell, but that will yield a great and a cheap heat.

With all its advantages Raylight costs no more than ordinary, unreliable kerosene. Buy it by name, where you see this sign:

Autos Stolen.

Harry K. Beachley's auto was stolen from his garage at Hagerstown last Saturday night. It is a seven-passenger Crawford, license number 12,720, and the car had been recently re-painted. H. B. McCormick, of Harrisburg, had two autos stolen in one night last week. His Ford was afterwards found standing along the pike near Hagerstown. The other car has not been found. So many scamps now know how to operate cars of all makes, that it is easy for them to get away with them, and there is no telling when or where they will appear—yours may be next.
