Mr. James A. Sloan and wife, of Portage, Pa., came home yesterday for a two weeks' vacation.

Children's Day will be observed in the M. E. church at Fort Littleton, Sunday evening, June 18th.

Robert, little son of Mrs. Nellie Peck, accidentally put one of his toes out of joint one day last week while at play.

Mrs. B. F. Deshong and Mrs. G. R. Sipes, of Andover, were in town Monday inspecting latest styles of millinery.

Misses Hazel and Florence Mcquade entertained about fifty of their friends Friday evening June 9th, at a lawn party at their home, Meadow Spring Farm, south of town.

**HIDES.**—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins, sheepskins and tallow.

Mrs. Mary A. Kelley, who had been spending a week among relatives in Thompson township, returned home last Sunday accompanied by her mother Mrs. Susan Bishop, who will spend a few weeks in Mrs. Kelly's home.

Joe, little son of Mr. and Mrs. L. W. Seylar, fell into the mouth of the sewer at the Fulton County Bank corner one day last week and cut an ugly gash in his left cheek that required a stitch to close it.

Samuel Wible, of Chambersburg, recently bought the Samuel Skipper farm near Green Hill, Licking Creek township, from Milton Kline. He removed his family to the farm last Monday. Uncle John Hann came to McConnellsburg to meet them.

We are glad to restore to our subscription list the name of Mr. T. S. Shoemaker, formerly of this county, who has not lost his interest in the County's welfare. Thad is now chief inspector of Ordinance Inspection with the Bethlehem Steel Company, Sub-Contracts.

Mr. and Mrs. Joseph Sipes, near Harrisonville, spent a few hours in town last Friday, doing some shopping and greeting old friends. While Mr. Sipes is not very strong, and Mrs. Sipes is afflicted with rheumatism, they make it a point to get to McConnellsburg occasionally. Mr. Ed Hendershot brought the worthy pair to town in his Maxwell.

On Tuesday of last week a frolic was made and twenty-five men besides women and children assembled at Needmore and worked upon the construction of the new Methodist church with might and main, and succeeded in doing a nice lot of work until it began to rain. The part of the program that tickled the men most was when the ladies invited them to get under the shelter of the schoolhouse porch roof and partake of a grand dinner that had been provided.

Mrs. A. R. Powell, (Louie Unger) of Dixon, Ill., wants us to "hurry up" with our new railroad. She would like to visit her old home and friends in Fulton County, and she doesn't want to ride over the mountain in a hack. As a matter of information to Mrs. Powell and to any other that might be interested, we have automobiles making five round trips between McConnellsburg and Chambersburg every day whose business it is to carry passengers, and it costs only a dollar one way, or a dollar and a half round trip, between McConnellsburg and Chambersburg and the trip is made in a little more than an hour, and the road (the Lincoln Highway) is just grand.

**To the Public.**

Because of the interest some of the Mozart Concert Company have in McConnellsburg, an offer was made to give an entertainment here—fifty per cent of the proceeds to be given to the town for some worthy object. We have every assurance that the entertainment will be delightful. The Company has been most generous in providing cards advertising their appearance here. McConnellsburg can show appreciation only by greeting them with a full house, Saturday evening, June 17th, at 8 p. m.

There will be an orchestra and many instrumental solos, and duets of the various instruments, vocal solos, comic sketches, &c. It will be a great treat, and all for a quarter.

**To Have the Air.**

Merrill W. Nace is having a sleeping porch built to the north side of the second story of his dwelling. It will be arranged with roof, and open sides that can be closed in case of storm. The kiddies will be "turned out" into the fresh air apartment at night. This, with the spacious lawns, play tents, sand boxes, and big porches down stairs, will keep the children in the open air practically twenty-four hours every summer day. This treatment is said to be hard on the doctors, but very good for the youngsters.

**Had Hard Fall.**

Last Monday afternoon, Mrs. S. B. Woollet attempted to go to the cellar by way of an outside entrance. At the top of the three steps in the passageway, she missed her footing and fell headlong to the floor at the foot of the stairs. The left side of her face was so badly bruised that the eye soon closed by reason of the swelling, and a spot the size of top of a teacup became black from congested blood vessels.

**Church Notices.**

The Ladies Aid Society of Zion M. E. church will hold a Box Social at New Grenada Saturday evening June 17, 1916.

Rev. Isaiah Mellott will preach at Laurel Ridge Christian church next Sunday morning at 10 o'clock.

**SAFETY FIRST.**

It is not wise to keep money about the house or on your person for a single night and thus be in constant danger of losing it. Do not wait until you have accumulated a large sum of money, but come to the FULTON COUNTY BANK and open an account with the amount you now have on hand. You can get it at any time you need it, and if left six months will pay you 3 per cent.
