NOT THE ONLY ONE.

There are Other McConnellsburg People Similarly Situated.

Can there be any stronger proof offered than the evidence of Mc-Connellsburg residents? After you have read the following, quietly answer the question.

John P. Conrad, deputy post master, Main St., McConnellsburg, says: "I had terrible pains across my back and I didn't sleep well at night. I was very nervous and when I got up in the morning, I was more tired than when I went to bed. Doan's Kidney Pills soon freed my back from pain."

Over four years later, Mr. Con rad said: "I haven't needed any medicine for backache or kidney trouble since I used Doan's Kidney Pills."

Price 50c. at all dealers. Don't simply ask tor a kidney remedy -get Doan's Kidney Pills-the same that Mr. Conrad has twice publicly recommended. Fos ter-Milburn Co., Props., Buf-

LESS WORK-More Done-Greater Leisure

New

Oil Stove

You get up three meals a day, bake a cake or something of the sort. That, with the rest of your housework, eats up your day, gives you no leisure and leaves you completely fagged.

Now, it isn't the actual cooking that takes up so much time or that's so exhausting. No, it's looking after the kitchen range. Starting the fire, watching that this doesn't burn or that doesn't cook too slewly. And all the time you're standing over a roaring fire-a veritable

drudge. But with a New Per- PERFECTION fection Oil Cook Stove you do less work, get more done and you have greater leisure.

For a moment after you light a Perfection burner you are ready to cook; no tiresome waiting, no wasted heat, no ashes to sift, no coal to carry, no wood to split.

THE ATLANTIC REFINING CO.

A Perfection is always ready to boil, fry, bake, roast-to do any kind of cooking without any preliminaries.

Have your dealer show you its fireless cooker, its separate oven and all its other refinements. And it burns kerosene, the cheapest of fuelsburns it slowly.

But don't be satisfied with just any kind of kerosene. For just as butter differs from oleo, Atlantic Rayolight Oil excels ordinary kerosene. So

to get best results from a Perfection, use Atlantic Rayolight Oil, for it's the kerosene that gives the most heat to the gallon, that burns without sputter, smoke or smell. That is always the same. Buy it from the dealer who displays this sign.

Costs the same as the unknown, unreliable kerosene.
