Jacob G. Leshler, of Antrim township, Franklin county, used a gasoline tractor engine to draw his binder in the wheat field this harvest. The machine cut fifty acres in a very satisfactory manner.

### WHAT CATARRH IS

It has been said that every third person has catarrh in some form.

Science has shown that nasal catarrh often indicates a general weakness of the body; and local treatments in the form of snuffs and vapors do little, if any good.

To correct catarrh you should treat its cause by enriching your blood with the oil-food in Scott's Emulsion which is a medicinal food and a building tonic, free from alcohol or any harmful drugs. Try it.

Scott & Bowne, Bloomfield, N. J.
