Dr. Stevens' Dates.

I will be at Hustontown August 1, 2, and 3. Needmore, August 21. Burnt Cabins, August 22.—F. K. Stevens, Dentist.

Runyan the Eye Man at

Neelyton, Monday, July 31 a. m., only. Shade Gap, Monday, July 31 p. m., only. Burnt Cabins, Tuesday, August 1 a. m., only. Fort Littleton, Tuesday, August 1 p. m., only. McConnellsburg, Wednesday and Thursday, August 2 and 3.

Crystal Springs Camp Meeting begins August 15th.

Miss Ruth Crouse entertained about a dozen girl friends at the Dougley last Saturday.

Mrs. Walter Comerer, of Burnt Cabins, was one of the hot weather shoppers in town last week.

Mrs. John B. Runyan entertained her Sunday School class at Dougley Spring last Saturday afternoon.

We will give a prize to the one who can name the most things that the oil on our streets smells exactly like.

John B. Runyan has the contract to erect a fine monument on the Henry Betz burial plot at the M. E. cemetery on Green Hill. Monument to be completed early in August.

HIDES.—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins sheepskins and tallow.

One of the soldier boys down on the border said "Do not send scented soap—send the kind that takes the dirt off." A man on duty on the Mexican border has little time for sentiment. What he needs is substantial substances.

One day last week, a little girl aged about ten years, daughter of McCaullay Pittman, of Thompson township, was bitten on the ankle by a copperhead snake. Dr. Robinson, of this place, rendered medical aid. She seems to be recovering rapidly.

Mr. Harvey H. Clevenger, overseer on a large stock farm in Delaware, came home last week to spend a few days with his family in this place. Harvey is making good, and we heartily congratulate him on having secured such a nice job.

Farmers in this county have the opportunity of their lives to enrich their land this season. The abundant clover crop should not all be taken off on spots needing fertility. Nothing equals clover to build up land that has become "run-down." But it must remain on and in the soil.

Deer are becoming so plentiful and bold in the South mountains that they are giving serious trouble to orchardists and others because of the damage done by them. It is not what the deer eat, but the destruction to young trees that is attracting the attention of the State Game Commission. Recently, 46 deer were seen at one time grazing in farm lands.

A WORD FOR MOTHERS

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life. If your work is tiring, if your nerves are excited, if you feel languid, weary or depressed, you should know that Scott's Emulsion overcomes just such conditions.
