Did you think to save those two, three, or half-dozen extra fine heads of wheat to plant separately next year, and the next, until you develop a strain of wheat worth more than all the freaks ever offered for sale? Millionaire have been made in exactly that way.

Last Saturday, Master George McCauley McKibbin celebrated his second anniversary by entertaining fourteen little friends at a nice luncheon prepared and served by his aunt, Miss Mollie Seylar who is entertaining the little gentleman and his mother while other Washington citizens are sweltering in the heat of Old Sol and the warm temperature of the present arguments in Congress.

WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body. In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, dizziness, dreamy sleep, irritability and unless corrected, leads straight to a breakdown. To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol. Scott & Bowne, Bloomfield, N. J.
