Dr Stevens' Dates.

Burnt Cabins October 31; Hustontown November 1 and 2; Newmore November 6.

Maybe somebody is only joking but "they say" Hustontown is building a depot in the hope of coaxing a railroad to pass through that vicinity.

The ladies of the Methodist church took in about \$50 at their supper in the basement of the church last Saturday evening. All but about three dollars of this sum was profit.

HIDES.—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins sheepskins and tallow.

Members of the State Constabulary have been sent into Huntingdon, Bedford, and Fulton counties to remain until the close of the hunting season to prevent violations of the game laws. They are being assisted by many men in plain clothes.

There is no foundation to the rumor that there would be no Fulton County Institute this winter. Superintendent Thomas insists that if careful selection counts for anything, there will be a good institute in the way of instruction and entertainment.

In making a trip to Huntingdon county recently in Homer Sipes' automobile, Mrs. Joseph Sipes lost her pocket book somewhere between Yellow Creek and Entrikey. The person who found it will be liberally rewarded by returning it to Mrs. Sipes or sending word to this office.

Less than five years ago, few believed that the auto would find as many homes on farms as it now enjoys. By the same token, the little farm tractor will soon surprise us, right here among the hills of Fulton county, where farm work and long-distance hauling can be done cheaply by their use. Keep posted.
