No Rest--No Peace.
There's no peace and little rest for the one who suffers from a bad back, and distressing urinary disorders. McConnellsburg people recommend Doan's Kidney Pills. Be guided by their experience. Riley Peck, shoemaker, McConnellsburg, says, "I was troubled with my kidneys and had a reness in my back. I was dizzy at times and it affected my eyes. I had to get up often at night on account of the kidney secretions and I was tired out in the morning. The doctor gave me only a little relief. Two boxes of Doan's Kidney Pills, procured at Trout's Drug Store, gave me great relief."
Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Peck had. Foster-Milburn Co., Props., Buffalo, N. Y.

Chickens and Kerosene

How happy old Mother Dominique is with her fluffy little brood! Some people think chickens will thrive on 'most anything they pick up. But you know they'll never get nice and fat or be good layers unless they get the right kind of feed.

And it's the same with your lamp and oil stove. You'll never get the light you want or the heat you need till you use

ATLANTIC Rayolight OIL

There's all the difference in the world in oils. Start using this really refined kerosene and watch results. Its smooth, mellow rays make reading a delight. Its radiant, comforting heat defies the wind and cold. That nasty, burning smell is missing. That annoying smoke you thought a necessary evil isn't there. At last you have found the kerosene you've always wanted.

And it costs no more than ordinary kinds.

Why pay for duty—when you buy cigarettes?

Import duty doesn't add a thing to the quality or taste of a cigarette—it's just a valueless expense.

Piedmonts pay no duty—because they are Virginia tobacco—ALL Virginia—grown right here in the United States. Golden, lively and mellow as Virginia sunshine itself.

Tobacco experts will tell you that Virginia is the best cigarette tobacco that grows on earth.

NOTE:—The duty on the Turkish tobacco that goes into a 5c package of so-called blended cigarettes is greater than the cost of the tobacco itself. But Piedmonts, made of highest-grade Virginia tobacco, have all the value in the cigarettes—because there is no duty on Virginia tobacco—no ocean freight—no marine insurance—no wasteful handling.
