## SYRUP OF FIGS FOR A CHILD'S BOWELS

It is cruel to force nauseating, harsh physic into a sick child.

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask at the store for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Adv.

### A Hint.

### Excessively Polite.

"Oh, I don't know," said the nurse; "about as tall as a house."

"And how tall is a house?"

### ACTRESS TELLS SECRET.

Any druggist can put this up or you can mix it at home at very little cost. Full directions for making and use come in each box of Barbo Compound. It will gradually darken streaked, faded gray hair, and make it soft and glossy. It will not color the scalp, is not sticky or greasy, and does not rub off. Adv.

## UNIQUE FOUNTAIN FOR INDIANAPOLIS

A fountain like no other fountain or other piece of sculpture anywhere—fountain that will stand as a type of original American art—has been designed by A. Stirling Calder, New York, and will be erected next October at the center of University square, Indianapolis. It is a gift to his city by the late Richard Depew. The subject of the unique work of art is "Youth." It is expressed by the figures of eight dancing children facing outward and adorning in a ring a central basin 13 feet in diameter. On a pedestal in the middle of the inner basin is the heroic figure of a young maid, directing the dance with cymbals. This figure dominates the group.
