The remodeled hotel contains twenty-two bedrooms and three bathrooms. In addition to the auto trade, special attention is called to accommodations for Fulton county people who drive horses and wish to stop at a hotel while in town. ### Dried Fruit Prices.

Evaporated apples are quoted in the markets at from 10¢ to 13 cents a pound. Evaporated peaches at 10¢ to 11 cents. This is for the light colored fruit dried in the little wooden houses described elsewhere in this paper, but not the kind dried out in the sun among the dust and flies. Never have we as conscientiously advocated a little home industry as we are now urging the production of dried fruits of the quality indicated by the higher prices.

### Wire and Wire Nails.

We bought a carload of wire and wire nails last October which did not reach us until the 10th of January; and it was lucky that we did buy early, for the wholesale price has made several advances since that time. We are now offering wire fence to you at prices we would have to pay, if we were buying now. As long as this lot lasts you will get it at January prices.

### Preparedness Meeting.

Pursuant to instructions from the State Committee of Public Safety there will be a meeting held at the school auditorium McConnellsburg next Monday evening.

The purpose of the meeting as outlined will be to ascertain what is needed in the items of seeds, equipment and labor to secure a maximum food production in the county.

It is to stimulate and assist the farmers to a larger acreage and increased production of durable food, such as buckwheat, potatoes cabbage, beets, and like necessary food staples, for our own consumption as well as for our sailors and Soldiers and those of our allies.

There will be at this meeting prominent speakers with practical knowledge of the subjects which will come before it.

This meeting has been called especially for the benefit of the farmers of Fulton County. It is urged upon them all to attend in order that the local committee of public safety and preparedness may be enabled to ascertain your needs and thereby render your assistance.
