

The date of the school letting for Thompson School District has been changed from July 28 to Wednesday, July 18.

Among last Saturday's visitors to our town was the Rev. Henry Wolf, near Dane. This famous fruit grower has not been frequenting our streets lately.

Last week, Mr. and Mrs. Chas. Mann removed from Philadelphia to Idaho to join their son Charles Jr. Mr. Mann was a former postmaster and merchant at Salvia.

HIDES.—Frank B. Sipes pays the highest market price for beef hides at their butcher shop in McConnellsburg, also highest price paid for calf skins, sheepskins and tallow.

Advertisement.

Economists are leaving no source of waste uncovered. They are now lamenting the waste of over a million a year because the tops of women's stockings do not wear out. Well, why not leave the tops off?

Last week, ground was broken on the banks of the Monongahela river, near Pittsburgh, for what is said, will be the largest steel plant in the world. Two hundred houses are being built to start the new town.

"Puppies with the belly-ache" is what Judge Landis, of Freeport, Ill., called one hundred and five slackers whom he sentenced to prison for a year for declaring that they had not registered and would not do so.

LaMar Daniels, a stepson of H. B. Trout, had one of his feet pierced by a nail a few days ago when he jumped into the cellar of the new house that is being erected for C. R. Spangler at the northern end of Second street.

Because it is known that many men under the standard military height are good fighters, exceptions will be made and they will be accepted in the army and navy when they have the frame to withstand required service.

Very little over the one fourth of our population produces food stuffs. The other three-fourths buy it. When the prices get too high, all suffer because the food producer has to pay more for the wares made by the majority class.

Miss Olive Pittman is in the Chambersburg hospital where she had her left thumb amputated at the first joint, yesterday. The amputation was made necessary on account of a felon from which she suffered more or less for over a year.

L. O. McLean and W. F. Patterson, two young men formerly identified with the construction of the McConnellsburg and Fort Loudon railroad, are operating a sand mine near Caledonia. A big steam shovel loads on cars two hundred and fifty tons of sand daily.

Though he is now 59 years of age, Harry A. Sheads, a former resident of Gettysburg and son of John H. Sheads of Cumberland township, Adams county, has joined the British army and is now stationed at an internment camp in British Columbia, where he is in charge of the German prisoners of war.

J. Oram Wible recently tendered his resignation as a stenographer in the Public Service Commission at Harrisburg, and has accepted a position with the Pennsylvania Railroad Company at Pittsburgh as stenographer and clerk to the Inspector of Police. Oram was formerly a McConnellsburg boy, a son of Mr. and Mrs. L. H. Wible.

Ravensburg, near Webster Mills was given quite a surprise last Saturday evening when Mrs. Robert Gordon, her daughter Ruth and two sons Leslie and Kessel, of Carlisle, with Mr. Kreps, of Mercersburg at the wheel, arrived at the home of their former neighbors Mr. and Mrs. John Bain, where they spent the night, leaving the next day to visit relatives on this side of the mountain.

A WORD FOR MOTHERS

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life.

If your work is tiring; if your nerves are excited; if you feel languid, weary or depressed, you should know that Scott's Emulsion overcomes just such conditions.

It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build strength.

Scott's is strengthening thousands of mothers—and will help you. No alcohol. Scott & Borne, Bloomfield, N. J.

"Real Service" Means "Do it Now"

Our constant aim is to render prompt and efficient service.

For you—your safety—your needs—we are here.

We believe this has been a large factor in our constant growth until now our bank is a "Tower of Strength" in this community.

FULTON COUNTY BANK.
"OLDEST AND STRONGEST"

FOR Automobile, fire and life insurance, see JOHN R. JACKSON, Agent. 6 28 17 tf

WANTED.—Good Cast Iron Scrap 65 cents per hundred.—**HANCOCK FOUNDRY AND MACHINE WORKS. 6 28 tf.**

LOST.—On July Fourth, a lady's white chinchilla coat was placed by mistake in the wrong automobile at Hustontown. A liberal reward is offered for its return to Hiram post office. 1t

WANTED.—A young or middle-age woman to help with the care of two children. Call at the NEWS office or write Box 78 McConnellsburg, Pa.

FOR SALE.—Restaurant and Ice Cream Parlor, in Chambersburg, centrally located near Public Square, doing a nice business and paying well. Reason for selling, poor health. Will sell cheap. Call or address, McCURDY'S RESTAURANT, 21 S. Main St., Chambersburg, Pa.

WANTED.—A good hustler to introduce our TEAS, COFFEE and Baking Powder and full line to the trade. A very good proposition to the right party. Good reference and small bond required. Write to GRAND UNION TEA COMPANY, Harrisburg, Pa. 6 28 3t.

Criminal Auto Drivers.

Last week, an auto was upset on the Lincoln Highway about a mile this side of St. Thomas and the lives of several people endangered, all because the driver of another auto was traveling on the wrong side of the road. That no one was killed is no credit to the offending driver who passed on serenely after the driver of the other car had done what he could to avoid a collision, with the result that his car skidded and turned turtle. This is not the first nor the second complaint that has reached us about drivers following the left hand side of the road. It is nothing short of criminal to drive over our crooked mountain roads in that manner, and least of all is there anything "smart" about it.

Do Not Buy It.

Do not buy fertilizers this year that contain anything but acid phosphate. If the price is based on two or more ingredients, pass it by. Common commercial fertilizers contain but three ingredients at most, namely, nitrogen, (sometimes called ammonia) phosphoric acid, and potash. The carrier of nitrogen is worth from \$80 to \$100 per ton, and the common carrier of potash is worth \$600 because of war interference. This is entirely too much to pay to use them as fertilizer, and a small fraction of one per cent. only adds to the price and is of no "earthly" use to a crop.

Cold Storage.

Readers of this paper have, doubtless, noticed for many years the high price of potatoes and the scarcity of apples in this place after the holidays, no matter how plenty they were in the fall. It has occurred to us many times that a little fortune awaits the man who will apply the well-known remedy, namely, proper storage facilities in cooperation with local producers.

County Pays Nothing.

Free demonstrations of latest and most efficient methods of canning, drying and otherwise preserving food have been offered to all the counties of the State. These demonstrations are being held all over Franklin county, and hundreds have attended some of them. All that is necessary to secure the same for Fulton county is the announcement of places of meeting and the loan of an oil stove. Farm Bureaus in fifty-six counties have made the arrangement for their respective counties. Who will do it for Fulton? Individual members of the Public Safety Committee cannot be expected to do it at their own expense. The object is twofold—first to put many dollars into the pockets of our people, and second, to increase the general food supply of the country. It is money to the County—looking at the propositions from any angle. Shall we miss all the good things offered? Like the road proposition, we are missing actual cash (not less than \$2,000.00) every year that we spurn the State's offer to pay most of the cost of a County Agency.

Money in It.

If our taste inclined to book agency, we would want nothing better to sell to country people next winter than a 300-page compilation of the actual experience of thousands of back yard gardeners who, in the year of 1917, tried their hands at raising vegetables for the first time. Stories like the one about the woman who "forgot to take the lids off" when she planted her tomatoes would sound tame. Some one will write a funny book on that subject and make a fortune out of it.

HAGERSTOWN, MD.
DIAGNOSTICIAN

Only chronic diseases. Send me your name and address and I will send you a mailing case and question blank. Don't use dope for chronic troubles, get cured. It is a satisfaction to know what the cause is. **CONSULTATION FREE.**

GOOD FARM
at
Public Sale

On Saturday, August 11, 1917 at 2 o'clock p. m., the undersigned will offer for sale at his residence 1 mile north of Knobsville, in Dublin township, Fulton County, Pa., his farm containing

53 Acres and 40 perches, having thereon a 7-room frame dwelling house with summer kitchen attached. A well of never failing water at the door. Bank barn with wagon shed and corn-crib attached, and all other necessary outbuildings. About 40 acres of this farm is cleared and in fine state of cultivation; balance is well timbered with white oak and black oak. Abundance of fruit of all kinds. Farm well watered. Privilege will be given the purchaser to do the fall seeding. This is a great opportunity for any one wanting a good small farm, and any one interested is invited to come and examine the farm before the day of sale.

Terms: Ten per cent when property is knocked down; one-half, including the ten per cent, when deed is delivered, and balance in one year with interest.
W. H. WAGNER,
J. M. Chesnut, Auct.

LATEST RACKET STORE NEWS

Give Longer Service

THE best architects and engineers recommend Barrett Specification Roofs because they know that such roofs give longer service at less cost than any other roof covering known. Barrett Specification Roofs have a record behind them covering 60 years of satisfaction. If you need anything in the roofing line write us and we'll tell you more about them.

Note These Prices

1-ply Roofing with cement and nails \$1.15; 2-ply, \$1.40; and the Barrett best grade that has been known to last for 20 years, —2-ply \$1.65; 3-ply \$2.00. This is good goods and will give service.

Stock Remedies

Now is the time to use Dr. Hess' Stock Tonic, Louse Killer, Dip, or Disinfectant and the best Poultry Remedy for small peeps and sick chickens—25, 50, 60c, \$1.00 and \$2.00 per package. Try our Roup Remedy.

Garden Plows

Say! Don't do without one of these as you can do more work in one hour with it than you can with a hoe in four hours. Price \$2.25.

Underwear

We bought these goods a long time ago, and we are in a position to give you last year's prices on most of them, Ladies' vests, 10, 13 and 15 cents; Ladies' Union Suits, 25 and 30 cents. Men's separate shirts and drawers, 25 and 48 cents; Men's Union Suits 48 and 98 cents. See them.

Machine Oil

We can furnish you the best Castor Machine Oil at 35 cents—the kind that is sold most places at 45 and 50 cents. Ice Cream freezers, \$2.50; axle grease, pound cans, 9 cents; 3-lb. pails 25 cents; Banner lye 10 cents. We have a nice lot of separate pants and suits for boys at last year's prices.

Shoes at Old Prices

We still have a nice lot of shoes at old prices. You will not find two or three sets of price marks on our shoes—where they have been marked every week or two to keep pace with advancing city prices. Call to see us when in town. We are always busy, but not too busy to give you a glad hand and prove to you that it is worth your while to make your purchases at our store.

Come and See Us.
