A Perfection Oil Cook Stove will come into your kitchen and lighten your burdens. All you do is strike a match and "put on the things."

You can regulate the heat exactly as you want it. It stays that way without watching. You'll be specially interested in the fireless cooker and the separate oven. Look up the dealer near you who sells Perfection Oil Cook Stoves.

THE ATLANTIC REFINING COMPANY Philadelphia and Pittsburgh

Another important thing is that Perfection Oil Cook Stoves burn the most economical of fuels-kerosene. There's a difference in kerosenes -not a price, but a quality. To be sure of getting perfect results, ask for Rayolight Oil. It's so highly refined and scientifically purified that it always gives an even, intense heat without sputter, smoke or smell.
