

Saturday, July 28th, Opened the Sierer Store AUGUST Furniture and Rug SALE

THRIFTY HOUSEKEEPERS—young couples who are planning to marry—here is your golden opportunity; a chance to make your home attractive and, at the same time make \$2.00 do the work of \$3.00. Our August Furniture and Rug Sale offers thousands of dollars worth of good trustworthy Furniture and Rugs at 15 per cent. to 35 per cent. reductions. Every Rug, every piece of Furniture, from the finest period suites down to the little novelty pieces that are so attractive, yet so expensive—all carry the original price tag and the August Sale tag.

This is a sale that the SIERER store can well be proud of—for it does not offer any old stocks that are only attractive as to their price—but, this sale offers you brand new home-furnishings that were selected for

their dependability and superior workmanship

When this Sale is over, all stock will go back to original prices. Not for years will such an opportunity come again.

Don't let this money-saving opportunity slip by without adding to your home at least One New Thing that will bring a note of added charm and genuine comfort to its furnishing. Shall it be a big comfortable rocker for the living-room? Or that much-needed bed room suite. Or a McDougall Kitchen Cabinet to lighten the labor of the patient housewife?

Whatever it may be, it is here, waiting for you, priced lower than you can find it elsewhere.

\$25,000 worth of good dependable Furniture offered during this Sale at 15 per cent. to 35 per cent. reduction. The reductions are genuine and in every instance are figured from our regular moderate prices and NOT from INFLATED VALUES, so that the reductions might appear greater than they really are.

OVER 750 ROOM SIZE RUGS

In every size rug made as follows—6x9, 6-3-4x9, 8x10, 8-1-4x10-1-2, 9x12, 10-1-2x12, 11-1-4x12, 10-1-2x13-1-2, 11-1-4x13-1-2, 12x13-1-2, 11-1-4x15, and 12x15 feet.

ALL THE NEW PATTERNS are included in this sale of the largest stock of rugs carried by any store in the Cumberland Valley. One look at our mammoth rug department will convince you of this fact. Rack after rack lines the one side of the spacious second floor of our new building, and even then we have over two hundred rugs for which there is no room on our racks. Surely, you will think that there must be a reason for

our carrying such an immense stock. There is a reason, and a very simple one at that: "We do an immense rug business and the reason we do such an immense rug business is due solely to the fact that we sell rugs lower than they can be bought from any other store or catalog house in the country. During this sale, the savings on each rug range from \$2.00 to \$25.00, varying with the size and quality of the rug.

If nominated and elected, I pledge myself to discharge the duties of the office fearlessly honestly and to the very best of my ability and judgment; and respectfully solicit your vote and influence.

B. W. LOGUE,
Ayr township.

Jewish Armies Conscripted.

On the approach of an enemy the Jewish army was recruited by a conscription made from the tribes under the direction of a muster-master, by whom also the officers were appointed. The army was divided into thousands and hundreds under their respective captains (Numbers 31, 20:14; Numbers 2:34; II Chronic les 25:5; 26:12).

Renewed Testimony.

No one in McConnellsburg who suffers backache, headaches, or distressing urinary ills can afford to ignore this McConnellsburg man's twice-told story. It is confirmed testimony that no McConnellsburg resident can doubt.

John P. Conard, deputy post master, McConnellsburg, says: "I had terrible pains across my back and I didn't sleep well. I was very nervous and when I got up in the morning, I was more tired than when I went to bed. Doan's Kidney Pills soon freed my back from pain."

Over Four Years Later, Mr. Conard said: "I haven't needed any medicine for backache or other kidney trouble since I used Doan's Kidney Pills."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Conard has twice publicly recommended. Foster Milburn Co., Props., Buffalo, N. Y.

SALVIA SUMMARIZINGS.

Some very good fields of timothy and clover hay were made, and considerable to be made, in this section. Oats are ripening, and bumper crops generally. Threshers are on the go. The writer knows of a field of wheat that yielded 212 bushels or at the rate of 15 1/6 bushels to the acre, and a field of rye that yielded 11 3/5 bushels to the acre.

The unprecedented travel on the Lincoln Highway is astonishing. This road is not standing the great travel and it is being damaged badly in some sections. It was built too hurriedly and will all have to be built better.

Norman Schooley has been incapacitated from harvesting by a beated finger which is slowly healing.

Mr. and Mrs. S. B. Woollet and Mr. and Mrs. M. G. Kirk, of McConnellsburg, were out to see the new fence at the Presbyterian graveyard and attended service at the Green Hill Presbyterian church last Sunday.

Two sisters of Edwin and Charles Deshong, from Washington, D. C., were here on a short vaca-

tion visiting their relatives part of last week. We were unable to get their names. Many persons motor into this community to see relatives and drive out before we are apprised of it. I guess the only thing to do would be to get a motorcycle and get after them.

Our hustling miller, J. M. Hurley, took his rollers to Chambersburg last week to get them recorrugated. He and Joseph Deshong, his helper, are busy this week dressing the buhrs of his chopper and buckwheat mill. They claim the new grain is not dried out yet and makes very tough grinding. It is mostly grain direct from the shocks that is being ground.

The Patterson Brothers, near McConnellsburg, entertained some friends last Monday, by motoring to Green Hill and picnicking in the grove.

The corn crop in this section is mostly looking promising. Earning time is here, which is a very critical time for the crop. Hope for good showers in August.

Somehow, the old prophecy of Mother Shipton, made four-hundred years ago, persists in forcing itself upon our memory:

"While carriages without horses shall go,
And ships like fishes swim beneath the flow;
And men outstripping birds can scale the sky,
Then half the world, deep drenched in blood, shall die.
Oh, can it be? The fulfilment of this prophecy shall we see?"

KNOBNSVILLE.

Mrs. Milton Shadle and son Wallace; Mr. and Mrs. Geo. Glunt and children Velma and Alma, with Cloyd Everhart at the wheel, motored to Gettysburg last Saturday and stopped to shop in Chambersburg.

Last Saturday, Mr. and Mrs. Sylvester Cunningham held an ice cream reception and entertained the following: Mr. and Mrs. Milton Shadle and children Lucille, Hulda, Vera, Wallace and Olive; Geo. Glunt, wife and daughters Velma and Alma; Edward Foster, wife, and children Park, Cecil, John and Olive; Mrs. Campbell; Stella Ragl, Marcel Long; Reed and Oscar Wible;

Emory Glunt, John Kelso, Rolla Snyder; Brice and Oscar Aller; Frank Bradnick, Ira Mellott, James, Lester, Harry and William Sheffield; Norman Baker, Merril Fore, and Clarence Gobin. Miss Ruth Long, of Hagerstown, who is spending her vacation in the vicinity, was also present.

NEEDMORE.

Marcus Mellott, wife, and two children Raymond and Marie, and Mrs. C. N. Walters spent Sunday in the home of Jonas Mellott at Hustontown.

Callie Truax is spending a few days in the home of his father, Joseph Truax.

Bert Mellott has purchased an up-to-date thresher equipped with a self feeder and wind stacker.

The Dott festival attracted some of our young people.

Barnett Mellott, wife, and sons Duffy and Clyde attended Rehoboth picnic.

Chester Carnell had the misfortune to break two springs on his auto.

Clayton Deshong, wife, and daughter Lolo spent Sunday in the home of Wilbert Mellott near Amaranth.

May Bring Wounded Here.

Wounded soldiers of France and England may be brought to the United States for treatment and for convalescence. War Department officials have had the question under consideration for some time and it was learned that adoption of the plan is probable.

It also has been suggested, and some consideration has been given the question that the German prisoners be brought to America instead of holding them in camps in France or in England. The care of the prisoners and wounded here would materially lessen the burden of feeding them and make it unnecessary for the governments of France and England to divert a considerable part of the provisions to the support of so large a non-fighting force.

The intention is to bring the wounded and prisoners over in the transports which carry American troops to France.
