The beautiful little girl's name is Virginia Huntley Johnston, and the stork left her with Mr. and Mrs. Paul I. Johnston, at their home in New York City on July 25th. Hello! Grandpa "J. K."

Take a peep at the new houses that are being erected on both North and South Second street. The Patterson house is being encased with sandstone and the Stunkard residence with fine red brick.

Wilbur Hays, wrote his parents, Mr. and Mrs. Geo. W. Hays, in McConnellsburg, a few days ago, that he was well and enjoying life in Camp Baldwin, near Denver, Colo. Wilbur recently enlisted in a company of cavalry in Colorado.

Hollis Wible, of Harrisburg, came to Fulton county last week to re-fill his lungs with good fresh air before taking up work in the chemical department of the Central Steel and Iron Company's office, near that city, this week.

Messrs. Town Councilmen, some good, upright and very patient citizens have again requested the NEWS to ask you to cause the electric light pole nuisance to be removed from in front of their respective residences. There now, we have done our duty again.

Mount Zion Sunday school will picnic on Timber Ridge in the Grove at the church, August 4th. A cordial invitation is hereby extended to the public to attend.

Last Friday, the County Commissioners met with the Commissioners of Franklin and Adams counties to hear what the owners of the McConnellsburg and Mercersburg pike had to say about selling the road to the State. The Commissioners thought the price—\$1750 a mile—was too high.

The Lutheran congregation at McConnellsburg was represented at the Lutheran reunion at Pen Mar on Thursday of last week by Mrs. Thomas Hamil, Mrs. Wm. Black, Miss Mame Goldsmith, Mrs. Emma Rexroth, Mr. and Mrs. Walter Shaw and son Kenneth, and the Misses Ruth and Naomi Roettger.

Pearl Rhodes, the bright little girl who lives with Mr. and Mrs. W. Scott Brant, near Dane, has hived many swarms of bees this summer. If there is no one to assist, she tackles the swarm all alone and captures it. She has made and placed about seven hundred little boxes in the hives this summer. It is no wonder that she is so "sweet." Pearl is twelve years of age.

HAVE YOU BEEN SICK?

Auto Express Lines.

The NEWS told its readers some time ago that an Akron, Ohio, rubber company was using a big five-ton autotruck to haul tires to Boston and bring back the woven fabric used in making tires. The truck was equipped with ten-inch pneumatic tires. This company now has four of the monsters on the Akron-Boston express line, and next trip there will be five. They will have six before long. The round trip can be made in seven days.

Five years ago we predicted autotruck service for all points in Fulton county, and it will be but a short time before autotrucks will receive all the lumber and other freight at McConnellsburg and convey it to the railroad exactly as the defunct McConnellsburg and Fort Loudon railroad was expected to do. Indeed, the time is ripe for McConnellsburg to wake up and erect a big grain elevator and freight station same as follow railroads. Let us have a market for Fulton county products. Cheaper transportation than could be afforded by a mountain railroad is now available in the shape of big autotrucks.

Keep Your Potatoes.

State College authorities are doing all they can to assist in the preservation of potatoes and other vegetables for winter use. McConnellsburg people may well get busy along this line, for every one knows that about Christmas, potatoes, apples and other fruits and vegetables almost disappear from our markets.

Cold storage in the form of caves dug under hills is highly recommended by experimenters as the most practical plan for country districts. Apples buried in the usual manner do not keep after the "hole" has been opened, but if deep, dark, and dry caves be used, and the contents stored in proper receptacles, and the entrance made secure against the escape of the natural, underground cool temperature, the vegetables may be removed in quantities to suit, and the remaining goods will not spoil. Few cellars are cool enough during warm weather. Address State College, State College, Pa., and ask for free bulletins about storage. They can also be had at THE NEWS office.

Nice Auto Trip.

Last Saturday, Thomas R. Cromwell, backed out his Henryford and started from his home in Alliance, Ohio, for the home of his parents, Mr. and Mrs. H. I. Cromwell, near Clear Ridge, in this county. Every body knows that if you keep quiet and do not talk bad language to a Henryford it will go for several days without ever thinking of stopping. That was the treatment accorded by Mr. Cromwell and that night, in time to go to bed before Sunday, he pulled up at his destination, after having made a run of 231 miles. Mrs. Cromwell and two children Clara and Mabel had preceded him about six weeks. Last Sunday, the two families visited Roy Cromwell in Mercersburg and took in Gettysburg. On Monday, while returning to Clear Ridge, the cap on the oil indicator burst on Cove mountain and father and son who occupied the front seat received a bath of oil from head to foot.

To Demonstrate Canning.

The Local Committee of Public Safety have made arrangements with State College to hold a series of meetings throughout the County on August 29, 30, 31, to give canning demonstrations and instructions in drying and food selection. These meetings will be conducted by a special representative of the Home Economic's Department of State College. A schedule of the meetings will be printed next week.

New ways of preserving foods are continually being found, and the "Cool-pack" method is so simple and popular that our ladies will be pleased to see it demonstrated as one of the features of these meetings.

Splendid New Building.

The announcement of a great sale of furniture, rugs, &c., by Sierer's, of Chambersburg, appears in this paper. These young men recently completed the erection of a splendid new building at 55 and 57 South Main Street. The building is three stories, 160 feet long, with basement same length. The site was formerly occupied by E. J. Black's dry-goods store. The front of the building is of white glazed terra cotta and plate glass. The show windows are the size of an ordinary bedroom and afford fine display of goods. Read the half page advertisement, and visit this big establishment next time you go to Chambersburg.
