

YOU CAN'T MAKE A WATCH WITH AN AXE AND YOU CAN'T PAINT A PORTRAIT WITH A BROOM

Neither can you chop out a hundred suits of clothes at once with an electric knife and get the little niceties that show so plainly in custom tailored garments. It is positive extravagance to buy ready made clothes when you can get a fine suit made to your order for \$18.00 to \$28.00 which will look as good as new when your "ready made" at the same price is shabby and out of shape.

Call at the Woolen Mill and see what beautiful fabrics and patterns we have for our Custom Tailoring Department.

HOW FAR IS KNOBSVILLE?

Not So Far That the Statements of Its Residents Cannot Be Verified.

Rather an interesting case has been developed in Knobsville. Being so near by it is well worth publishing here. The statement is sincere—the proof convincing: J. C. Fore, Knobsville, Pa., says "A severe cold settled in the small of my back. My kidneys troubled me badly at times and kidney secretions were painful in passage. I was lame and stiff from rheumatic twinges and my limbs and wrists became swollen. I got no relief from the doctor's treatments. Finally, I used Doan's Kidney Pills and after one box, I felt relief. Whenever I take cold now and am troubled by my kidneys, Doan's Kidney Pills always help me."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fore had Foster-Milburn Co, Props, Buffalo, N. Y.
