

20 YEARS OF HONEST MERCHANDISING

The greatest single asset of and business is the good-will of those who use the product.

That we are meeting with continued success is due to fair dealings and courtesy to all customers, and few concerns have a better record of satisfied customers who have continually dealt with us for a period covering 20 years.

If you are not a customer of our Mills would it not be well to get in Line, and begin now to effect the saving that is bound to accrue in purchasing your garments and your materials from the manufacturer.

Women Give Out.

Housework is hard enough when healthy. Every McConnellsburg woman who is having backache blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this woman's experience:

Mrs. William Miller, 416 Broad St., Chambersburg, Pa., "From over-work and taking a little cold, my back became very stiff and painful. When I tried to stoop over, I had a sharp catch in my back and later, a steady, dull ache settled just over my hips. I heard of Doan's Kidney Pills at a time when I could hardly get out of my chair. I finally began using them and they gave me relief. Continued use put me on my feet again, so that I can now do all my own work."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Miller had. Foster-Milburn Co., Props, Buffalo, N. Y.

Get Rid Of The Rats.

Poison can be used to good effect. Barium is the cheapest and most effective. It is tasteless and colorless. Mix it with meal or flour, or oat meal, using four parts of one of the above substances to one part of the barium carbonate. If a single application fails then change the bait. Place the bait in teaspoonful lots in the rats' run.

Barium carbonate has a corrosive effect on the mucus membrane of the stomach and the rats will run for water, which if they must go outside of the building to secure, means that they will die outside of the place.

Fumigation of the holes with carbon bisulphide may help. Make a ball of cotton and soak it with carbon bisulphide, place it on the hole and close the hole tight with earth or damp rags. The gas so generated will soak to the bottommost portion of the rats' burrows, killing them.

Mrs. J. M. Myers (Mabel Kendall) and daughter Virginia, of Mercersburg, were recent guests in the home of the former's mother, Mrs. Winifred Kendall and other friends on this side of the mountain.

Silver Wedding.

September 25th was the twenty fifth anniversary of the wedding of Mr. and Mrs. J. B. Walters, of Sixmile Run, and a few friends and relatives met at the Walters home and celebrated the occasion by partaking of a delicious supper and enjoying a pleasant social evening. Of the sixty guests at the wedding a quarter of a century ago, few are living. The guests of honor at the silver wedding were Mr. and Mrs. Albert Figard who were best man and bride's maid at the Walters Figard nuptials.

The guests present on the twenty fifth anniversary were: Mr. and Mrs. J. B. Walters; Watson, Clarence and Evalyn Walters; Mr. and Mrs. Chester Dixon, Leila and Carl Dixon, Mr. and Mrs. Raymond Buseck, Lillian and William Buseck, Albert Figard, wife and son John; Wade Figard and wife, C. Hospitals Want Envelopes.

There seems to be no end to the list of articles that may be sent to the hospitals in France. Recently there came a call to this country to save the large envelopes in which circulars are enclosed, and to send them along with other hospital supplies. We are not sure that we know how they are to be used, but think, probably, they are used to protect injured hands—somewhat after the manner of a mitten.
